ST. LOUIS ADVERTISEMENTS. Mexican Mustang Liniment. With a Healing Balm we come to greet you.

THE LARGEST number of cases in which this liniment has proved its value, in the short time it has been before the people of America, is sufficient to give the greatest confidence that its virtues are incomparable in curing rheumatism, bruises, strains, burns, wounds, swellings, broken or cracked breasts, old sores or pains in any part of the body.

ST. LOUIS TESTIMONY. STATE OF MISSOURI, County of St. Louis.

JOHN HOW, Mayor. Sec. NEWMAN, Register.

DR. A. G. BRAGG & CO.—GENTS: You will probably recollect that I called into your establishment some three weeks since and purchased a fifty-cent bottle of your "Mexican Mustang Liniment."

THE EXERCISING PAIN consequent upon falls setting of the bone had dwindled and contracted her arm to a point size, and I consider it duty devolving upon me to acquaint the community of the beneficial effect your Liniment has produced.

THE FOLLOWING is a list of the numerous and extraordinary cases in which this liniment has cured them.

6,750 cases of rheumatism in all its forms; 4,200 do sprains and bruises; 5,400 do burns and scalds; 3,450 do fresh cuts and wounds; 40 do cancer; 2,750 do sore-throats, sores and ulcers that had resisted all other treatment; 5,240 do inflamed or swollen joints; 7,300 do piles; 400 do lameness, sciatica, gout and hard body aches; 6,250 do clapped hands; 2,800 do cracked breasts; 4,900 do tooth-ache; 10,000 do various other ailments.

THESE MUST APPEAR almost incredible, but the numerous testimonials and letters from distinguished physicians, clergymen, agents and others who have used the liniment, enable us to substantiate the above facts millions of bottles of it are yearly consumed, and it has always given satisfaction.

TO COUNTRY MERCHANTS.—Every store should be supplied with this valuable liniment, as it pays a good profit and sells rapidly.

PRICES OF THE LINIMENT.—It is put up in bottles of three sizes, and retails at 20 cents, 50 cents and \$1 per bottle.
