

Agricultural.

Excellent Cement for seams in the roofs of houses or for any similar defects may be made with white lead, dry white sand and as much oil as will render it of the consistency of putty...

POULTRY. As every thing connected with poultry now-a-days has a peculiar interest, we give the following sensible remarks from an English agricultural journal:

First, of the roost and nest house. The floor should be sprinkled with ashes, or loam, pulverized peat, or fine charcoal, and the floor should be cleaned every week. The yard should contain a grass plot, some fine gravel, slake lime dry ashes, and pure water.

Flax Culture at the West. One of the most important and modern establishments for the interest of the Western farmer is that of the "Dayton Flax Company."

ST. LOUIS ADVERTISEMENTS.

MILL STORES. G. & C. T. OGDEN. Importers & Manufacturers of French Butter Mill Stones. Nearly twenty years experience in the Mill-Stone business.

BOLTING CLOTHS. To obtain the quality of Bolting Cloth best suited to milling in the West, we have had the greatest difficulty. One leading house by fast printing and the large quantity of spring wheat and oats passed on destructively to the ordinary Cloth.

PORTABLE GRAIN MILLS. Our attention for many years has been directed to obtain the best plan for constructing these mills. In many cases they are used by inexperienced millers, and therefore, durability and economy are sacrificed.

LEATHER BELTING. This article is now made in the greatest perfection, and becoming extensively used in the manufacturing establishments of the country.
