HARPER'S STORY BOOKS.

A MONTHLY Series of Narratives, Dialogues, Biographies, and Tales, for the Instruction and entertainment of the Young. By Jacob Abbott. Embellished with numerous and beautiful engravings. Now Ready.

1. BRUNO, or, Lessons of Fidelity, Patience, and Self-Denial, taught by a Dog.

2. WILLIE AND THE MORTGAGE; showing how much may be accomplished by a Boy.

It is the design of the Publishers to render this in this every way the most attractive and valuable series for the young ever offered to the public. They are confident that they have facilities for giving to it that wide circulation which will warrant them in expending upon it all the resources of typographical and illustrative art. The illustrations will be numerous, in all respects equal to those furnished in "Harper's Magazine." The successive numbers of the "Story Books" will embrace a variety of subjects and different styles of composition, including narratives, dialogues, descriptive essays, and entertaining stories of a character to interest and delight the youthful mind, while imparting information that will be important in subsequent life. It will be the constant aim of the author to furnish a series of volumes adapted to family reading. He hopes so to combine the presentation of important and interesting facts with the circulation of sound principles in taste, morals, and religion, that the "Story Books," shall form a welcome and efficient aid in the work of home education. Though not intended to be of exclusively a religious character, they will be so far designed to exert a moral and religious influence on the minds of the readers, as to adapt them to the use of Sabbath School Libraries.

Terms—Each number of "Harper's Story Books" will contain 192 pages in small quarto form, very beautifully illustrated, and printed on superfine calendered paper.

The series may be obtained of Booksellers, Periodical Agents, and Postmasters, or from the publishers, at Three Dollars a year, or Twenty-five Cents a number. Subscriptions may commence with any number.

The two periodicals, "Harper's New Monthly Magazine," and "Harper's Story Books," will be supplied to subscribers at Five Dollars a year, and will be published on the first day of each month.

The postage on Harper's Story Book, which must be paid quarterly in advance, is two cts.

ST. LOUIS ADVERTISEMENTS.

Importers & Manufacturers of

French Burr Mill Stones.

NEARLY TWENTY YEARS EXPERIence in the Mill furnishing business in St. Louis, (commencing at the workman's bench) enables us to judge correctly of the quality of burr best adapted to milling in the West. To obtain that quality, we have found it necessary to visit the quarries in France, and there make selections. Our stock this year was selected at the quarries by one of the firm, and supplies left with the proprietors, that we may, when we order, be certain of obtaining the desired quality. For successful milling, the practical miller and millwright can appreciate the importance of this arrangement. Our stock is always large, and any desired temper and texture of burr can be obtained without delay.

BOLTING CLOTHS.

To obtain the quality of Bolting Cloth best suited to milling in the West, we have had the greatest difficulty. Over-loading bolts by fast grinding, and the large quantities of spring wheat and oats ground so destructive in the ordinary Cloth, that complaints of mill owners and millers became so frequent, we found it necessary to obtain heavier and stronger Cloths, or subject ourselves to a suspicion of selling an inferior article. We laid before the manufacturers our objections to their Cloths, and ordered heavier and stronger to be made. They undertook it with reluctance, fearing that they could not make their Cloths heavier and preserve the uniformity of meshes so indispensable for good milling. They have succeeded.—OUR BOLTING CLOTHS ARE NOW MADE EXPRESSLY FOR US, and for beauty of finish, uniformity of meshes, strength and durability, we refer to the millers generally in the country, and especially to the millers and mill owners in this city.

PORTABLE GRAIN MILLS.

Our attention for many years has been directed to obtain the best plan for constructing these mills. In many cases they are used by inexperienced hands, and therefore, durability and simplicity of construction was the object to be attained. In this we think we have succeeded. We believe so, because in the great number we have sold, there has not been one returned, nor to our knowledge failed to perform entirely to the satisfaction of those using them. They are in extensive use in the West, and many of them in New Mexico and California. Our mills are known as TODD'S IMPROVED GRAIN MILLS. We manufacture three kinds, to wit: FLAT CHOP BURRS, to grind by weight of the burrs; STOCK AND GRAIN MILL, the lower stone to run, and the PORTABLE MILL.

Patent riveted, cemented and machine stretched

LEATHER BELTING.

This article is now made in the greatest perfection, and becoming extensively used in the manufacturing establishments of the country. We keep on hand the largest assortment in the Western country, of our own, and Eastern manufacture.

VULCANIZED RUBBER BELTING — STEAM PACKING AND RUBBER HOSE. We are the only agents of the Boston Company in this city for the sale of these goods.

Dr. Carter's Cough Balsam.

For the cure of Coughs, Colds, Asthma, Consumption, Bronchitis, Spitting of Blood, Pain in the Side and Breast, Pleurisy, Whooping Cough, and all diseases of the Lungs and Chest.

Among all the celebrated remedies for Diseases of the Lungs and CHEST, none seem to be meeting with such success and to give such entire satisfaction to all, as

DR. CARTER'S COUGH BALSAM.

This valuable remedy is purely vegetable in its ingredients, and perfectly harmless in all its qualities, and as mild and pleasant as the most delicate cordial. It is very soothing and healing to the Lungs, and is every where acknowledged by Druggists, Physicans, and all who have used it to be the most Effectual Curative known.

CONSUMPTION.

No disease incident to our climate is so universal, and at the same time so fatal, as Pulmonary Consumption. This awful malady sweeps over the land as a Destroying Angel, laying low the strongest and fairest of our race. Million of the young and the old are annually hurried to the tomb by this dreadful national disease.

CONSUMPTIVE READERS!—Beware of mere palliative medicines. The object of nearly all the medicines now offered for diseases of the Lungs, is to relieve and not to cure. Such is not the case with Dr. Carter's Cough Balsam. In colds and coughs, which are the first symptoms of consumption, it is the most pleasent and efficacious remedy that can possibly be used. In confirmed consumption it has been used with perfect and triumphant success, when the most eminent physicians had given up all hope as vain. So confident is the proprietor of its power to cure Tuberculous Consumption, that he solicits a trial in the worst of cases.

SPITTING OF BLOOD.

This frightful symptom of consumption is speedily checked and prevented by the use of Dr. Carter's Cough Balsam, which heals the affected membrane, removes the incipient tubercles, and restores those vital organs, the lungs, to a sound and healthy condition.

REMEMBER THIS.

Spitting of Blood always arises from a tendency to tuberculous disease, and if not checked at the outset, will sooner or later terminate in death. A person who raises blood once will raise blood again unless a proper curative is immediately employed.

PAIN IN THE SIDE.

This distressing symptom of consumption arises from inflamation of the lungs or membrane called the Pleura, or from bronchial affections of the air passages. In either case it is a very dangerous indication of disease. It prevents full and free breathing, and wears away the natural strength of the system. The cause of this symptom should be removed at once, and nothing can possibly effect that object so speedily and happily as Dr. Carter's Cough Balsam which is always safe and salutary in its effects on the constitution.

LIVER COMPLAINT.

In cases of consumption the Liver is always more or less affected, and also the spleen, pleura and small intestines. The effect of Dr. Carter's Cough Balsam in diseases of the Liver, especially if it be of an ulcerous nature, is direct and powerful. Simple weakness of the Liver, must

Read the letter from John S. Crump, Grand Saline, Arkansas, Cherokee Nation, bearing date August 30, 1853.

Dr. Easterly—Sir: When I was in your city in March last, I purchased one dozen bottles of your Fever and Ague Killer, which you warranted to me. I have sold seven of the dozen, which I also warranted. Your medicine has given entire satisfaction so far, it having effected several cures of the Chills and Fever. One case particularly—a lady who had been afflicted since the latter part of last summer, and had tried a great many remedies, besides having a physician part of the time, all of which failed. She bought a bottle of your medicine, and before she had used one-third of it, she was entirely cured, and has enjoyed good health ever since. In no case has it failed to effect a permanent cure.

Respectfully yours, John S. Crump.

P. S.—I will be in your place again shortly, and will buy more largely.

Dr. Carter's Cough Balsam.

For the cure of Coughs, Colds, Asthma, Consumption, Bronchitis, Spitting of Blood, Pain in the Side and Breast, Pleurisy, Whooping Cough, and all diseases of the Lungs and Chest.

Among all the celebrated remedies for Diseases of the Lungs and CHEST, none seem to be meeting with such success and to give such entire satisfaction to all, as

DR. CARTER'S COUGH BALSAM.

This valuable remedy is purely vegetable in its ingredients, and perfectly harmless in all its qualities, and as mild and pleasant as the most delicate cordial. It is very soothing and healing to the Lungs, and is every where acknowledged by Druggists, Physicans, and all who have used it to be the most Effectual Curative known.

CONSUMPTION.

No disease incident to our climate is so universal, and at the same time so fatal, as Pulmonary Consumption. This awful malady sweeps over the land as a Destroying Angel, laying low the strongest and fairest of our race. Million of the young and the old are annually hurried to the tomb by this dreadful national disease.

CONSUMPTIVE READERS!—Beware of mere palliative medicines. The object of nearly all the medicines now offered for diseases of the Lungs, is to relieve and not to cure. Such is not the case with Dr. Carter's Cough Balsam. In colds and coughs, which are the first symptoms of consumption, it is the most pleasent and efficacious remedy that can possibly be used. In confirmed consumption it has been used with perfect and triumphant success, when the most eminent physicians had given up all hope as vain. So confident is the proprietor of its power to cure Tuberculous Consumption, that he solicits a trial in the worst of cases.

SPITTING OF BLOOD.

This frightful symptom of consumption is speedily checked and prevented by the use of Dr. Carter's Cough Balsam, which heals the affected membrane, removes the incipient tubercles, and restores those vital organs, the lungs, to a sound and healthy condition.

REMEMBER THIS.

Spitting of Blood always arises from a tendency to tuberculous disease, and if not checked at the outset, will sooner or later terminate in death. A person who raises blood once will raise blood again unless a proper curative is immediately employed.

PAIN IN THE SIDE.

This distressing symptom of consumption arises from inflamation of the lungs or membrane called the Pleura, or from bronchial affections of the air passages. In either case it is a very dangerous indication of disease. It prevents full and free breathing, and wears away the natural strength of the system. The cause of this symptom should be removed at once, and nothing can possibly effect that object so speedily and happily as Dr. Carter's Cough Balsam which is always safe and salutary in its effects on the constitution.

LIVER COMPLAINT.

In cases of consumption the Liver is always more or less affected, and also the spleen, pleura and small intestines. The effect of Dr. Carter's Cough Balsam in diseases of the Liver, especially if it be of an ulcerous nature, is direct and powerful. Simple weakness of the Liver, must

ended by consumption speedily ensue.

WINTER COUGH.

The harsh dry winter cough which afflicts people and invalids in a low state of health can be effectually cured by the use of Dr. Carter's Cough Balsam. It warms, moistens, stimulates the whole breathing apparatus
