I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of Venereal and Mercurial Bisease. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his snoath Your Sarsaparilla steadily taken cured him in five weeks. Another was attacked by secondary symptoms in his nose, and she ulceration had enten away a considerable part of it, so that I believe the disporder would soon reach his brain and kill him. But it visited to my administration of your Sarsaparilla cure ulcers healed, and he is well again, not of course without some disfiguration to his face.
