AYER'S
Sarsaparilla

FOR PURIFYING THE BLOOD,

And for the speedy cure of the following complaints

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptious Pimples, Pustules, Blotches, Boils Rhaus, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to ac knowledge what your Sarsaparilla has done for me Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Some times I burst out in Ulcers on my hands and arms sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from anything. In fact, the disorder grew worse, (At length I was advised to read in the Gospel Messenger that a Sarsaparilla was on had prepared an alterative (Sarsaparilla), for I knew from your reputation that anything you made must be good I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you that I hold you to be one of the apostles of the age and remain ever gratefully, Yours,

ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas Tetter and Salt Rheum, Scald Head Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla and also a dangerous *Malignant Erysipelas* by large doses of the same; says he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sibley, of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre* — a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration* of the *uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes "A dangerous *ovarian tumor* on one of the females in my family, which had defied all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 26th August, 1859.

DR. J. C AYER: Sir, I cheerfully comply with the request of your agent, and report to you some of the effects I have realized with your Sarsaparilla. I have cured with it in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla steadily taken cured him in five weeks Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla the ulcers healed, and he is well again, not of course without some disfiguration to his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver* which destroyed my health. I tried everything and everything failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to made a new man of me. I feel young again. The best that can be said of you is not half good enough."

Schirrus, Cancer Tumors, Enlargement Ulceration, Caries and Exfoliation of the Bones.

A great variety of cases have been reported to us where cures of these formidable complaints has resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agent below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine It stimulates the vital functions into vigorous action and thus overcomes disorders which could be supposed beyond its reach. Such a remedy has long been required by the necessities of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints that it is useless here to publish the evidence of its virtues. Its unrivalled excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities or even families, among them who have not some personal experience of its effects — some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs As all know the dreadful fatality of these disorders and as they know, too, the effects of this remedy we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

THE TRIBUNE for 1865.

PROSPECTUS.

The Military and Naval successes of 1864, with the auspicious result of our Presidential contest, have lifted a heavy weight from the breasts of the loyal millions of our countrymen. It is now felt, even by those who have been distrustful and faint hearted that the Union is to emerge triumphant from the deadly strife wherewith she was so wickedly precipitated by her assailants, and that slavery, her recognized ally and encourager the fate of Haman. The perils of foreign intervention and of Western disunion are safely passed; ABRAHAM LINCOLN, no longer assailable as a choice of the millions, holds the helm of state for four years longer; the rebellion, palpably weakened by its defeats and losses during the past year—with its credit so reduced that its purse-proud chieftain declares that its Treasury notes can only be exchanged for coin at the rate of twenty five for one, while its bonds command but six cents on the dollar—but awaits the blow which shall soon strike the sword from its paracidal hand and remit its master-pirate to the justice, or it may be to the clemency, of a severely wronged and hardly injured but forbearing and magnanimous people. Such are the auspices which justify our faith that the present year will see the Stars and Stripes float unchallenged from every battlement in the Republic, and the perfect law of Liberty for All immovably imbedded in the Constitution of our Union.

THE NEW YORK TRIBUNE, founded in 1841, will enter upon its twenty-fourth year with quickened hopes and enlarged means of usefulness. Its principles need no restatement. Its aims are the diffusion of Intelligence and the inoculation of a spirit of Freedom and Humanity. When this truth shall have been generally recognized and established as the basis of our institutions and polity, that injustice to the poorest, the weakest, the most despised, is a foul mistake—that no community of state can afford to wrong even its humblest member—then will our and back once more in the calm sunshine of peace and prosperity.

THE TRIBUNE has for the last year been published without profit to its proprietors, solely because of the depreciation of our currency below specie standard compelling us to buy paper and other materials at a cost considerably above the amount received from our subscribers. On our Weekly edition, the net loss has amounted to several thousands of dollars; while our large receipts from advertising have been wholly absorbed by the extraordinary expenses for Correspondence, Telegraphic, etc., developed on us by the war. As we do not suppose our patrons desire that we should work for them at our cost, and prefer not to be patronized by any who may desire it, we have seen what advanced for the ensuing year the prices of our Semi-Weekly and Weekly, as we had already done with those of our daily editions. This increase is purely nominal; there never before was a time when the farmers of our country could buy The Tribune for so little of their own products or labor as they can by the following

HARPER'S
New Monthly Magazine.

[Critical notices of the Press.]

It is the foremost Magazine of the day. The fireside never had a more delightful companion, nor the million a more entertaining friend, than Harper's Magazine.—*Methodist Protestant* (Baltimore.)

The most popular Monthly in the world.—*N. Y. Observer.*

We must refer in terms of eulogy to the high tone and varied excellences of Harper's Magazine—a journal with a monthly circulation of about 170,000 copies—in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the American people; and the popularity it has acquired, is merited. Each number contains fifty 144 pages of reading matter, appropriately illustrated with good wood cuts; and it combines in itself the racy monthly and the more philosophical quarterly, imbued with the best features of the daily journal. It has great power in the dissemination of a love of intelligent literature.—*Turner's Guide to American Literature* (London.)

The volumes bound constitute of themselves a library of miscellaneous reading, such as cannot be found in the same compass in any other publication that has come under our notice.—*Boston Courier.*

Ayer's CATHARTIC PILLS.

Are you sick, feeble, and complaining? Are you out of order, with your system deranged, and your feelings uncomfortable? These symptoms are often the prelude to serious illness. Some form of sickness is creeping upon you, and should be averted by a timely use of the right remedy. Take Ayer's Pills and cleanse out the disordered humors—purify the blood, and let the fluid move on unobstructed in health again. They stimulate the functions of the body into vigorous activity purify the system from the obstructions which make disease. A cold settles somewhere in the body, and obstructs its natural functions. Soon, if not relieved, react upon themselves and the surrounding organs, producing general aggravation, suffering and disease. While in this condition, oppressed by the derangement, take Ayer's Pills and see how directly they restore the natural action of the system, and with it the buoyant feeling of health again. What is true and so apparent in this trivial and common complaint, is also true in many of the deep seated and dangerous distempers. The same purgative effect expels them. Caused by similar obstructions and derangements of the natural functions of the body, they are rapidly, and many of them surely cured by the same means. None who knew the virtues of these Pills, will neglect to employ them when suffering from the disorders they cure.

Statements from leading physicians in some of the principal cities, and from other well-known public persons:

From a Forwarding Merchant of St. Louis, Feb. 4 1856.

DR. AYER: Your Pills are the paragon of all that is great in medicine. They have cured my little daughter of ulcerous sores upon her hands and feet that had proved incurable for years. Her mother has been long grievously afflicted with blotches and pimples on her skin and in her hair. After our child was cured, she also tried your Pills, and they have cured her. ASA MORGRIDGE.

As a Family Physic.

From Dr. E. W. Cartwright, New Orleans.

Your Pills are the prince of purges. Their excellent qualities surpass any cathartic we possess. They are mild, but very certain and effectual in their action on the bowels, which makes them invaluable to us in the daily treatment of disease.

Headache, Sick Headache, Foul Stomach.

From Dr. Edward Boyd, Baltimore.

DEAR BRO. AYER: I cannot answer you *what* complaints I have *cured* with your Pills better than to say *all that we ever treat with a purgative medicine.* I place great dependence on that effectual cathartic in my daily contest with disease, and believing, as I do, that your Pills afford us the best we have, I of course value them highly.

PITTSBURGH, Pa., May 1, 1855.

DR. J. C. AYER. Sir: I have been repeatedly cured of the worst *headache* anybody can have by a dose or two of your Pills. It seems to arise from a foul stomach, which they cleanse at once.

Yours with great respect, RD. W. FREBLE.
Clerk of Steamer Clarion.

Bilious Disorders — Liver Complaints.

From Dr. Theodore Bell, of New York City.

Not only are your Pills admirably adapted to their purpose as an aperient, but I find their beneficial effects upon the Liver very marked indeed. They are in my practice proved more effectual for the cure of *bilious complaints* than any one remedy I am master. I sincerely rejoice that we have at length a purgative which is worthy the confidence of the profession and the people.

DEPARTMENT OF THE INTERIOR,
Washington, D. C., 7th Feb., 1856.

SIR: I have used your Pills in my general and hospital practice ever since you made them, and cannot hesitate to say they are the best cathartic we employ. Their regulating action on the liver is quick and decided, consequently they are an admirable remedy for derangements of that organ. Indeed, I have seldom found a case of *bilious disease* so obstinate that it did not readily yield to them. Fraternally yours, ALONZO ALLEN, M. D.,
Physician of the Marine Hospital.

Dysentery, Diarrhœa, Relax, Worms.

From Dr. J. G. Green, of Chicago.

Your Pills have had a long trial in my practice, and I hold them in esteem as one of the best aperients I have ever found. Their alterative effect upon the liver makes them an excellent remedy, when given in small doses for *bilious dysentery and diarrhœa.* Their sugar-coating makes them very acceptable and convenient for the use of women and children.

Dyspepsia, Impurity of the Blood.

From Rev. J. V. Himes, Pastor of Advent Church, Boston.

DR. AYER: I have used your Pills with extraordinary success in my family and among those I am called to visit in distress. To regulate the organs of digestion and purify the blood, they are the very best remedy I have ever known, and I can confidently recommend them to my friends.

Yours, J. V. HIMES.

WARSAW, Wyoming Co., N. Y., Oct. 24, 1855.

DEAR SIR: I am using your Cathartic Pills in my practice, and find them an excellent purgative to cleanse the system and *purify the fountains of the blood.* JOHN G. MEACHAM, M. D.

Constipation, Costiveness, Suppression, Rheumatism, Gout, Neuralgia, Dropsy, Paralysis, Fits, etc.

From Dr. J. P. Vaughn, Montreal, Canada.

Too much cannot be said of your Pills for the cure of *costiveness.* If others of our fraternity have found them as efficacious as I have, they should join me in proclaiming it, for the benefit of the multitudes who suffer from that complaint, which, although bad enough in itself, is the progenitor of others that are worse. I believe *costiveness* to originate in the liver, but your Pills affect that organ and cure the disease.

From Mrs. E. Stuart, Physician and Midwife, Boston.

I find one or two large doses of your Pills, taken at the proper time, are excellent promotives of the *natural secretion* when wholly or partially suppressed, and also very effectual to *cleanse the stomach* and *expel worms.* They are so much the best physic we have that I recommend no other to my patients

From the Rev. Dr. Hawkes, of the Methodist Episcopal Church.

PULASKI HOUSE, Savannah, Ga., Jan. 6, 1856.

HONORED SIR: I should be ungrateful for the relief your skill has brought me if I did not report my case to you. A cold settled in my limbs and brought on excruciating *neuralgic pains,* which ended in *chronic rheumatism.* Notwithstanding I had the best of physicians, the disease grew worse and worse, until by the advice of your excellent agent in Baltimore, Dr. Mackenzie, I tried your Pills. Their effects were slow, but sure. By persevering in the use of them, I am now entirely well.

SENATE CHAMBER, Baton Rouge, La., 5 Dec., 1855.

DR. AYER: I have been entirely cured, by your Pills, of *Rheumatic Gout* — a painful disease that has afflicted me for years. VINCENT SLIDELL.

☞ Most of the Pills in market contain Mercury which although a valuable remedy in skilful hands is dangerous in a public pill, from the dreadful consequences that frequently follow its incautious use These contain no mercury or mineral substance whatever.
