**EXTRACT OF BUCHU**

**HELMBOLD'S**  
**FLUID EXTRACT**

**BUCHU.**  
At the Cape of Good Hope  
**THE HOTTENTOTS**  
Have long used  
**BUCHU**  
For a variety of Diseases.  
It was borrowed from these rude practitioners by the British and Dutch Physicians, and its medicinal qualities were first introduced into Europe, and has since become a general medicine.  
It is prepared by Dr. J. G. Helmbold, Chemist, of the Cape, from the best quality of the Buchu, Morinda, &c., and is of the highest quality.  
**DEBILITY.**  
For Febrile and Biliary Disorders, or Plethora Uteri, it is one of the best remedies. Helmbold's Buchu is a powerful tonic, and all ailments arising from the debility of the stomach, or from a loss of tone in the parts concerned in its operation.  
It is also recommended in cases of  
**Dyspepsia, Chronic Rheumatism,**  
**Cutaneous Affections and Dropsy.**  
To cure these diseases we must bring into action the stomach, which we manage to do by using Helmbold's Buchu. To neglect them, however, will only tend to the contrary, and will result in the early death of the patient.  
**Our Flesh and Blood**  
are supported from three sources.  
**PERSONS AT EVERY PERIOD OF LIFE.**  
From Infancy to Old Age,  
and in every state of health, it is a tonic to be used in all cases of debility.  
The Cause in many instances, we unknown.  
The patient has, however, no alternative remedy.  
**HELMBOLD'S**  
**Fluid Extract of Buchu.**  
Philadelphia Evening Bulletin Editor,  
Sept. 15, 1865.  
**HELMBOLD'S**  
**GENUINE PREPARATIONS.**  
His Solid and Fluid Extracts embody the full strength of the ingredients of which they are composed. They are left to the inspection of all. A single and conclusive test of their properties will be a sufficient one with those set forth in the enclosed States for the sale. These remedies are prepared by Dr. J. G. Helmbold, a druggist of sixteen years' experience in this city, and we believe him to be reliable. We have never known an article lacking in purity, and with a permanent success, and we believe our goods to be certainly prime quality evidence. The best of Chemical Works, in the city of New York, is not excelled, if equalled, by any in the country, and we would advise our readers, who are writing that to give him a call, and judge for themselves.
