OFFICIAL STATEMENT.

The following is the official state ment of Mayor Cooper of the amount of freight, number of men, wagons, horses, mules and cattle, starting west from Plattsmouth during the year 1865. When we take into consideration that this entire amount was transported by individuals and companies-there being little if any Government freight sent from this point-it speaks volumes for the business of our city. Total no. lbs. Freight, 35.712,500.
