HELMBOLD
FLUID EXTRACT
BUCHU.
 At the Cape of Good Hope
THE HOTTENTOTS
 Have long used
BUCHU
 For a variety of Diseases.
 It was borrowed from those rude practitioners by the English and Dutch Physicians, who as recommended it was employed in Europe, and has now come into general use.
 It is given either by J. G. Gavel, Chronic Catarrh of the Bladder, Morbid Irritation of the Ladder and Uterus, for Female Weakness and
DEBILITY,
 For Pruritus and Bearing Down, or Protrusion Uteri, Diseases of the Female Genitals, Retention of Urine, or Uterine, and all diseases requiring the aid of a diuretic and a tonic. It is a loss of force in the parts concerned in its evacuation.
 It is also recommended in cases of
Dyspepsia, Chronic Rheumatism,
 Cutaneous Affections and Dropsy.
 To cure these diseases we must bring into action the muscles which exchange in their various functions. To neglect them, however slight may be the attack, is sure to affect the bodily health and mental powers.
Our Flesh and Blood
 are supported from these sources.
PERSONS AT EVERY PERIOD OF LIFE,
From Infancy to Old Age,
 and in every state of health, are liable to be afflicted with these diseases.
 The Causes in many instances are unknown.
 The patient has, however, an admirable remedy in
HELMBOLD
Fluid Extract of Buchu.
 Philadelphia Evening Bulletin Editorial, SEPT. 15, 1865.
HELMBOLD'S
GENUINE PREPARATIONS.
 His Solid and Fluid Extracts embody the full strength of the ingredients of which they are composed. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the United States Dispensatory. These remedies are prepared by J. T. Helmbold, a druggist of sixteen years' experience in this city, and we believe them to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmbold's success is certainly prima facie evidence. His Pure and Chemical Warehouse, in the city of New York, is not excelled, if equaled, by any in the country, and we would advise our readers, when visiting that city, to give him a call, and judge for themselves.
