We have feared for & Co., not by the Government, and made inside of sixteen days, through some time that this objection would be ground that the Senate at first voted down the bill and for the same reason be bought of Kansas farmers while for Nebraska, through which office all the measure has been opposed by earnest Republicans at every stage of its progress through both branches of Congress. In the debate in the Senate on the Colorado question it was asserted believe, it is because the State of Kan- ing, reliable Company. This excellent rivery is only 25,000, showing not only no increase, but a positive decrease in numbers, since the passage of the Enabling Act. Then, again, ulis asserted, and is true, that Colorado is peopl d demand a measure that will benefit the ty thanks of all transacting business with a migratory population, composed people they represent they have the with them, and be such a recommenda- largely of miners, and is therefore power to make themselve heard and tion as will insure them business wher. hable, at any time to be decimated by the discovery of more productive mines in the adjacent Territories. While these are the facts in reference to Colorado they are by no means true as to The President's objections to the Nebraska. Our population has nearly, Colorado bill, as expressed in the veto if not quite, doubled since the passage of the Enabling Act. It is composed largely of farmers, mechanics, and business wel are of the people of Colorado, lar in character and stability to the population of the older States. The veto of he Colorado bill, therefore, can principal part of them recent settlers, have no possible bearing upon the question of the admission of Nebraska. There is no similarity in the two cases.

Our population is fully 60,000 and is capidly on the increase. Indeed it is larger than that of at least two States long since admitted into the Union. To show that we are not alone in the opinions above expressed, we copy the following letter from Senator Pomeroy, cember, 1860. The following speci- judicial departments upon the United of Kansas, to Gen. Thayer, which takes the same view of the subject, be recognized by most people, even in | 2d. It is not satisfactorily established and shows clearly that the rejection of

> March 16th, 1866. GEN. THAVER, -My Dear Sir :- In

reply to your inquirtes, relating to Colorado, and its prospect of being admitted, &c., &c., I beg leave respectfully to state, that the recent vote of the Senate should have no influence upon our friends who are prosecuting the work of State Organization in Nebraska, for the following reasons: 1st Colorado had not proceeded with

that regularity, and under those lawful requirments, that I trust our Nebraska friends are proceeding. 2d. Their votes show a decrease of population, instead of a regular in-

crease, as you are able to show. 3d. The mining population are more migratory, and not fixtures to the soil with their families, as are farmers, like those of Nebraska.

4th. The majority for the Constitution was too small to show, that the general agreement for a State Government, was so desirable as to insure its 5th. It is by no means certain that

Colorado will not be admitted-notwithstanding all these discouragements -for a reconsideration of the vote has memories of the past which ought to into the Union, and in the meantime already been moved by Senator Wilson, with good prospect of carrying it through successfully. You of Nebraska are encouraged to

go forward, from the fact that your population is such as to warrant it, both in respect to numbers and character. And you can avoid the errors into which others have fallen. The building of the Great Pacific Railroad through your State, at once
