BRYANT'S

Business COLLEGE

Conducted on the basis of Actual Business, by an experienced Accountant and superior Penman, whose LONG CONNECTION

with the most popular Commercial Colleges of the Union ensures thoroughness and reputation to every graduate, and commands the best positions.

SPECIAL ATTENTION

Given to all styles of Penmanship, on which we have been awarded the first Premiums for many years at various State Fairs. The College is always open to visitors, and circulars containing full particulars, will be sent to any address. THOMAS J. BRYANT, President, St. Joseph, Mo.

HELMBOLD.

FLUID EXTRACT

—OR—

BUCHU.

At the Cape of Good Hope

THE HOTTE TOTS

Have long used

BUCHU

For a variety of Diseases.

It was borrowed from these rude practitioners by the English and Dutch Physicians, as we are informed it was employed in Europe, and has now come into general use. It is given chiefly in Gravel, Chronic Catarrh of the Bladder, Morbid Irritation of the Ladder and Uterus, for Female Weakness and

DEBILITY.

For Prolapsus and Boiling Down, or Prolapsus Uteri, Diseases of the Prostate Gland, Retention, or Obstruction of Urine, and all diseases requiring the aid of a diuretic article. From a loss of tone in the system is concerned in its evacuation.

It is also recommended in cases of

Dyspepsia, Chronic Rheumatism,

Cuts, Scalds, Abscesses and Dropsy.

To cure these diseases we must bring into action the muscles which are engaged in their various functions. To heighten them, however slight may be the attack, is sure to affect the bodily health and nervous powers.

Our Flesh and Blood

are supported from three sources.

PERSONS AT EVERY PERIOD OF LIFE.

From Infancy to Old Age,

and in every state of health, are liable to be subject to these diseases.

The Causes in many instances are unknown.

The patient has, however, an admirable remedy in

HELMBOLD'S

Fluid Extract of Buchu.

Philadelphia Evening Bulletin Editorial, Sept. 15, 1865.

HELMBOLD'S

GENUINE PREPARATIONS.

His Solid and Fluid Extracts embody the full strength of the ingredients of which they are made. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the United States Dispensatory. These remedies are prepared by H. Helmhold, a druggist of sixteen years' experience in this city, and we believe them to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmhold's success is certainly prima facie evidence. His Drug and Chemical Warehouse, in the city of New York, is not excelled, if equaled, by any in the country, and we would advise our readers, when visiting that city to give him a call, and judge for themselves.
