HELMBOLD.
FLUID EXTRACT
 —OR—
BUCHU.

At the Cape of Good Hope
THE HOTTENTOTS
 Have long used
BUCHU
 For a variety of Diseases.

It was borrowed from these rude practitioners by the English and Dutch Physicians, who, on recommendation it was employed in Europe, and has since come into general use.
 It is given only in the Gravel, Gout, Catarrh of the Bladder, Mercurial Irritation of the Bladder and Uterus, for Venereal Weakness and

DEBILITY,
 For Pains and Heaving Down, or Polypus Uteri, Discharge of the Prostate Gland, Retention, or accumulation of Urine, and all diseases arising from the state of a disordered system, from a loss of tone in the system, is considered in its evacuation.
 It is also recommended in cases of
 Dyspepsia, Chronic Rheumatism,
 Cutaneous Affections and Dropsy.

To cure these diseases we must bring into action the muscles which are engaged in their various functions. To heighten them, however slight may be the attack, is sure to affect the bodily health and restore power.
 Our Flesh and Blood
 are supported from three sources.
PERSONS AT EVERY PERIOD OF LIFE,
 From Infancy to Old Age,
 and in every state of health, are liable to be afflicted with these diseases.
 The Causes in many instances are unknown.
 The patient has, however, an admirable remedy in

HELMBOLD'S
Fluid Extract of Buchu.
 Philadelphia Evening Bulletin Editorial,
 SEPT. 15, 1865.
HELMBOLD'S
GENUINE PREPARATIONS.

His Solid and Fluid Extracts embody the full strength of the ingredients of which they are made. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the United States Dispensatory. These remedies are prepared by H. T. Helmbold, a student of sixteen years' experience in this city, and we believe him to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmbold's success is certainly prima facie evidence. His Drug and Chemical Warehouse, in the city of New York, is not excelled, if equaled, by any in the country, and we would advise our readers, who are paying that city to give him a call, and judge for themselves.
