**HELMBOLD.**  
**FLUID EXTRACT**  
 —OF—  
**BUCHU.**  
 At the Cape of Good Hope  
**THE HOTTENTOTS**  
 Have long used  
**BUCHU**  
 For a variety of Diseases.  
 It was borrowed from those rude practitioners by the English and Dutch Physicians, on whose recommendation it was employed in Europe, and has now come into general use.  
 It is given chiefly in Gravel, Chronic Catarrh of the Bladder, Mercurial Irritation of the Bladder and Uterus, for Female Weakness and  
**DEBILITY,**  
 For Prolapsus and Bearing Down, or Prolapsus Uteri, Diseases of the Prostate Gland, Retention, or Incontinence of Urine, and all diseases requiring the aid of a diuretic arising from a loss of tone in the system.  
 It is also recommended in cases of  
**Dyspepsia, Chronic Rheumatism,**  
 Cutaneous Affections and Dropsy.  
 To cure these diseases we must bring into action the muscles which are engaged in their various functions. To neglect them, however slight may be the attack, is sure to affect the bodily health and mental powers.  
 Our Flesh and Blood  
 are supported from these sources.  
**PERSONS AT EVERY PERIOD OF LIFE,**  
**From Infancy to Old Age,**  
 and in every state of health, are liable to be subjects of these diseases.  
 The Causes in many instances are unknown.  
 The patient has, however, an admirable remedy in  
**HELMBOLD'S**  
**Fluid Extract of Buchu.**  
 Philadelphia Evening Bulletin Editorial,  
 SEPT. 15, 1865.  
**HELMBOLD'S**  
**GENUINE PREPARATIONS.**  
 His Solid and Fluid Extracts embody the full strength of the ingredients of which they are made. They are left to the inspection of all. A ready and conclusive test of their properties will be a comparison with those set forth in the United States Dispensatory. These remedies are prepared by H. T. Helmbold, a druggist of sixteen years' experience in this city, and we believe them to be reliable; in fact, we have never known an article lacking merit to meet with a permanent success, and Mr. Helmbold's success is certainly prima facie evidence. His Drug and Chemical Warehouse, in the city of New York, is not exceeded, if equaled, by any in the country, and we would advise our readers, when visiting that city to give him a call, and judge for themselves.

 The English department under the supervision of  
 Mr. Sherlock, late Inspector of Public Schools in  
 Canada.  
 The Medical department conducted by Mr. Sher-  
 lock, possessor of extensive medical knowledge.  
 The course of instruction includes the various  
 branches usually taught in first class schools. Beside  
 the English, French and Latin, French, Spanish,  
 French, French, and German. The term  
 commences from the first of the month, and  
 in advance.  
 Mr. and Mrs. Sherlock return thanks for the liberal  
 support they have received, and had by uncounted  
 thousands to their people, and to their  
 constituents. There are only two more for a few  
 more pupils. 3076
