RECONSTRUCTION.

In the Senate on the Sth, Trumbull from the judiciary committee, reported a bill to give effect to the act of March 2d. After objection by Sumner, it was read twice and ordered printed. The first section declares it is the true intent and meaning of the act that military power is paramount to civil government in the rebel States, and prohibits civil authorities to interfere with the military power.

Section two declares district comject to the approval of the General of the above. the army; suspend or remove any person holding a civil or military office, derived from any State or municipal authority, whether by election, appointment or other authority, and the commander is empowered to provide for the performance of the duties when officers are removed by the detail of some competent efficer or soldier of the

Third, that the General commanding ATTORNEYS AT LAW, the army is invested with the same power of removal or appointment.

Fourth, persons, acts, removals and
