Prospectus THE NEBRASKA "COMMONWEALTH."

The undersigned having made arrangements for establishing a Republican paper at Lincoln, the Capital of the State, have the honor to announce to the public that the materials for a first-class publishing and job office have been ordered and will be ready for business in a short time.

The "COMMONWEALTH" will labor for the early and rapid development of the resources of our interior counties and the State generally, by the influx of hardy immigrants, and for the immediate construction of the iron highways of commerce, to make a market for the first grain growing section of the Union. As an exponent of Republicanism it will sustain the policy adopted by the Congressional majority, in obedience to the mandates of the men who carried the flag from the "River to the Sea." But while faithful to the principles of the Republican party, we shall freely consider and discuss the great questions of the day as they present themselves, in all candor and with such ability as we may possess.

Subscription price \$2. per annum in advance. The "Commonwealth" will be listed at the earliest practicable date. C. H. GERE & CO.
