☞S. Duke, Esq., left for the east on Tuesday. He has gone on a visit, and will be absent two or three weeks.

☞Several fine brick buildings have been erected at Ashland this summer and the place has a general appearance of prosperity.

☞A gentleman from Saunders county informs us that the entire Republican ticket in that county was elected by fifteen or twenty majority.

☞Clark, Porter & Erwin have removed their law office to the room lately occupied by the county Clerk and county Treasurer

☞The Democratic gains in the east this year is accounted for on the principle that the drouth has caused the people to drink more whiskey and less water.

"HOUSEWIVES FAVORITE"—Sue has the Best Chemical Saleratus proved itself. Being always full weight, and the very best quality.

☞S Duke, Esq., Republican nominee for Treasurer of Cass county received a majority of one over his opponent in the famous precinct of Rock Bluffs.

☞Ladies, call and examine the large assortment of fashionable dress goods and trimmings just received at Clark & Plummer's.

☞Sarpy is the only Democratic county on the river in Nebraska, and her majorities are growing small and beautifully less each year. The State to-day has a clear Republican majority of over two thousand.

☞Remember that Dr. M. H. McCluskey, Dentist, will be at Salt Creek Tuesday Oct. 22nd, and will remain 3 days only. Persons Desirous of having their teeth repaired or new ones inserted can be accommodated by calling at Warbritton's Drug Store.

☞A horse power saw mill has been in operation in the rear of Amison & Dovey's store for two or three days, cutting in two that large pile of wood. It is quite an improvement over the old fashioned buck saw.

☞Four or five teams have been kept at work for the past week grading on Second St. A considerable amount of earth has been removed from the hillside to Second St., raising the street about two feet.

☞We learn that a fire occurred in Glenwood last Monday night, consuming two harness shops, one millinery establishment,and one saloon The buildings and contents were a total loss. We have not heard how the fire originated, nor what the loss is estimated at. Our informant thought there was no insurance.

☞From parties just in from Lincoln we learn that building is going ahead rapidly. Two buildings have been commenced seventy-five by fifty feet each, and a large number of smaller ones. Most of the buildings commenced are to be of stone, of which there is an abundance, and that of the very best quality.

☞Custom made Boots & Shoes, warranted to excel any offered in this market, at Clark & Plummer's.

☞Mr. S. I. Long, who resides on Four Mile Creek in this county, brought to the city last week a squash which beats any thing we have yet seen or heard of in Nebraska. It measured six feet one way and over five the other, and weighed 118 pounds. It is of the variety known as the Mammoth Squash.

☞From the manner in which the *News* pitches into Lamaster, McConiga, Renner, Back and others of Otoe county, we conclude that those gentlemen done much towards the acheivement of the recent Republican victory in that county. They are all good workers, as the result shows.

☞B. Spurlock has been the recipient of a vast amount of abuse from the copperhead papers of Nebraska during the past two years, in consequence of his having thrown out the vote of Rock Bluffs precinct. He has just been elected Clerk for another two years, and received the largest vote of any candidate on the ticket, and ran ahead of the ticket in Rock Bluffs precinct.

☞The Packet company's steamer J. H. Lacey was sunk last week twenty miles above St. Joseph. She was on her way down, and had on board a quantity of wheat shipped by Simpson, Mickelwait & Co., of this city. This leaves only the Colorado and St. Joseph in the Packet line.

☞De Forest Porter left for the east yesterday. He goes to his former home in New York for a short visit and for the purpose of taking part in the political campaign in progress there. Mr. Porter has resided in this city about a year, and we doubt not he will be able to convince many of his eastern friends of the superiority of this country.

☞Barnes, at the News depot, has just received a new supply of Stationery, Newspapers, Magazines and Periodicals of all kinds. In changing proprietors the affairs of the news branch became somewhat deranged and papers did not come regular, but hereafter papers can be had on time.

☞The largest stock of ladies and childrens shoes in the city will be found at Clark & Plummer's.

☞Dr. McCluskey. Dentist, will be at Ashland on the 22nd., and remain three days. We can recommend the Dr. as being a first-class workman. He has done a large amount of work for residents of this city, and we have yet to hear of the first complaint of either his work or his prices.

☞Quite a Radical Revival has been going on in Liberty precinct during the present year. Spurlock and Duke each received a majority of the votes in that precinct on the 8th. It is the first time that a Republican was ever known to carry the precinct.

☞We learn that Gov. Butler is lying seriously ill with fever at his home in Pawnee county.

He is agent for the sale of the celebrated Steck & McCammon Pianos, and also attends to tuning and repairing all kinds of Musical instruments.

☞We publish to-day an advertisement from Mr. Morris, Architect and Superintendent of the building of the Capital at Lincoln. We hope some of our builders will bid upon this work. We see no reason why they cannot do the work as cheap as any others.

☞C. E. Forgy, Esq., has just returned from a trip down the river, where he has been taking orders for his celebrated plows. He informs us that he has taken orders for over five hundred plows, besides his immense trade in this city and county. He will put in an engine and otherwise materially increase his facilities for manufacturing early next season. If we had more such men in this vicinity as Mr. Forgy, it would be a good thing for the country. Energy, perseverance and thorough advertising is bound to win if you follow a legitimate and useful business.

☞Latest styles Hats and Caps to be found at Clark & Plummer's.

PROSPECTUS OF THE "NEBRASKA STATE JOURNAL."

The undersigned proposes to establish a Weekly Newspaper at Lincoln City, the Capital of the State of Nebraska, to be called "The Nebraska State Journal," the first issue of which will be about the 1st of October, 1867

The whole outfit for the Office will be entirely new, and will embrace good Job Office, as well as the News Department. Having had much experience in Journalism, and being one of the first settlers in Nebraska; consequently being well acquainted with the wants of the people, and the resources of the State, we flatter ourself that we can give general satisfaction in the enterprise.

The "Journal" will advocate Republican principles, but will be conducted on an independent scale, and will be courteous to all parties and sects.

Returning our thanks to our old friends and patrons, we trust they will assist us in this new enterprise.

TERMS—$2 00 per annum in advance.

JACOB DAWSON.

NOTICE

All persons are hereby cautioned against purchasing a certain Promissory Note for $150,00, with interest at ten per cent per annum, given by the undersigned on the fifteenth of March, 1867, payable to Abiathar Tyson or order on or before the first day of December 1867; the consideration therefor having failed, we will not pay said note at maturity.
