

LOCAL NEWS.

Wm. Herold has just returned with another large stock of goods. The Odd Fellows had a grand time at Nebraska City last week. The Herald has now about 2,600 constant readers. Advertisers will make a note of this. Hon. John Taffe, Member of Congress from Nebraska, is lying seriously ill at his home in Omaha. We regret to learn that our esteemed friend, Hon. A. B. Fuller, has been seriously ill for the past week. He is recovering. His Honor, Judge Lake, arrived in the city Monday evening, since which time court has been in session. A party of Railroad engineers are at work sounding the river in the vicinity of Omaha. Judge Cronson is holding court for Judge Lake in Douglas county, while the latter is holding a term here. Hon. Dan. Parmole killed a wild cat on his farm near Elkhorn a short time since. They have struck sulphur in the "pit" on the Morton farm since the election. If you want a good square meal, served in good style, go to the Platte Valley House. County Surveyor Fairfield has just completed the survey of a new road to Salt Creek. We want ten cords of good hard wood at the Herald office, on subscription or advertising. Col. O. H. Irish of the Press, has gone east. He will purchase new material for his office while absent. Some one in Nemaha county has raised a squash weighing 100 pounds. Cass is ahead yet. At the recent election for a county seat in Richardson county, Salem received 545 votes, Arago 321 and Falls City 267. Messrs. Stevenson and Wardell, of Nebraska City, have been in this city for several days attending to business in the District Court. Joseph Smith, son of the original Mormon prophet, has lately been hunting up the lost sheep of the church in Otoe county. J. W. Barnes, of the News Depot, has our thanks for late St. Louis papers. They are always to be found on the counter. The Richardson County Fair, which was held at Salem on the 21, 24th and 25th inst., was a fine success. Several thousand people attended the exhibition. Any person having for rent a small piece of land—from ten to fifty acres—with a comfortable house on it, can find a good and permanent tenant by applying at the Herald office. A change of venue has been taken in Otoe county in the case of the people of Nebraska vs. Wisliewski, and the case will be tried in this county at the next term of court. Capt. J. W. Pearman has been poking some rough facts before the people in regard to J. S. Norton, Esq., and judging from the bad temper displayed in the News we conclude they hurt some. At a large Democratic meeting in Butler county, Ohio, Vallandigham was unanimously nominated for the U. S. Senate. He is undoubtedly the representative man of the party in Ohio, no matter how much some Democrats in these parts deny it. The bear and bull fight which was advertised to come off in Omaha last Saturday was a complete "fixle." The bear refused to fight and the bull had it all his own way. The performance only lasted a few minutes. Ladies, if you would be known as good cooks, and would avoid the mortification of having poor biscuits for tea when you have company use D. B. De Land & Co's Best Chemical Saleratus, and that only. As many people in this city are interested in knowing the whereabouts of the recent Democratic leader—W. F. Crawford—we would say to them that he is at Cheyenne, and has his "shingle" out as follows: "W. F. Crawford, late Judge of the Supreme Court of Wisconsin."

A little colony of nine families, all from the same neighborhood in Illinois, has recently located in the rich valley of the Platte about twelve miles above Ashland. A large emigration from the same locality is expected to join them early next spring. We learn that turkeys are quite plentiful in the timber on the opposite side of the river from town. A couple of our sportsmen went across last Monday morning, and brought down seven, and would have got more only they were so very wild. They crawled some forty rods before they got a shot. There used to be deer about here, but Anderson and Davis killed the last one we have heard of being killed in the county near the river. Richardson county polled 1,134 votes, and gave a Democratic majority of 250. The Register is published in that county—News. Otoe county polled 1,047 votes, and gave a Republican majority of 44. The News is published in that county. The advertisement of Prof. Mueller of Council Bluffs, appears in the Herald to day. We can recommend the Prof. to our readers as a proper man to deal with, and one deserving the trade of this part of the country. He visits this city about once every month, and orders left at the Platte Valley House will receive attention on his arrival. The citizens of Saunders county are moving in the matter of a mail route from Ashland to Columbus. The route is already established, but for some reason service has never been put upon it. It is a very important route, and we hope the Department will attend to letting the contract at an early day. Mail service through on that route will do much towards assisting to settle the country. Mr. Mueller sold last week one of those superior Pianos to John F. Buck, Esq., of this county. It speaks well for the farming interests of Cass county to see so many of our farmers purchasing pianos, and otherwise preparing to live in comfort and ease. Others desiring to purchase pianos will find Mr. Mueller the proper man to deal with. The instruments he sells are warranted for five years. We learn from Col. Patterson that Mr. Everett Metcalf, who resided in the southern part of the county, was killed last week by the accidental discharge of a gun. He placed the toe of his boot on the hammer of the gun and was in the act of blowing into the muzzle to ascertain if it was loaded, when his toe slipped from the hammer and a full charge of shot penetrated the brain through the roof of his mouth, killing him instantly. It is estimated by well posted business men that there are now 800,000 tons of freight to be transported yearly from the upper Missouri river to St. Louis, aside from that which would go to Chicago. Is not this something towards inducing a railroad along the west bank of the river? The estimate is on the class of freight which necessarily must go to St. Louis, whether we have eastern roads or not. A saving on the transportation of this freight puts the difference into the pockets of the producers—the farmers of Nebraska. As the long winter evenings are near at hand, would it not be well for our public spirited and intelligent citizens to take steps for opening some sort of club or association for pleasure and improvement. No one doubts there is talent enough in our community for almost any kind of enterprise desired, and we call on some of our go-ahead citizens to bring it together and give us something to break the monotony of dull winter nights. Every town of the size of Plattsmouth in the State has either a Literary Club, Thespian Society or Library Association, and our city should not be behind in these good works. Devise some plan that will interest the young boys, and let them have some other place than saloons to spend their leisure time. We hope our citizens will consider this matter and be ready for active measures at an early day. All assistance that can be rendered by the Herald will be cheerfully given. Mr. Dobson, of Rock Bluffs, has a quantity of the Black Tartary Oats, which will yield seventy-five bushels to the acre and weighs thirty-eight pounds to the bushel. He raised about 300 bushels this season, which he offers to sell in small quantities to farmers for seed. They were materially injured by grasshoppers last spring, but the yield was then over fifty bushels to the acre. Mr. Dobson sent to Ireland for the seed, and obtained only a small package, from which he now has, as above stated, some three hundred bushels. A specimen can be seen at this office. In the case of John Fountain vs. Thes. J. Fountain, in the District Court yesterday, wherein plaintiff claimed \$300 with interest at six per cent. from Oct. 12th, 1855—Maxwell & Chapman and P. M. Marquet for Piff. and Pottinger and Erwin for Deft—the point was made and authority produced by counsel for Piff. that a note payable on demand, with interest, is a continuing security, and that the statute of limitation does not run against said note until after a demand has been made. The point was held by the Court to be good. We believe this is the first time this point has ever been raised in our courts. Judgment rendered for Piff. for \$177.

The Episcopal Mite Society will meet to night at the residence of Mrs. O. F. Johnson. A mistake occurred in the table of the abstract of votes published in the Herald of last week, whereby it appeared that Hon. S. M. Kirkpatrick received only 31 votes in Mt. Pleasant precinct and that his opponent, Mr. Winslow received 34. It should have been Kirkpatrick 51 and Winslow 19. SABBATH SCHOOL CONCERT. The Sabbath Schools in connection with the Presbyterian and Lutheran Churches of Plattsmouth will give a Musical Entertainment, at the City Hall, on Tuesday Nov. 5th, at 7 o'clock p. m., for the benefit of said Schools. No effort will be spared to make the Entertainment worthy the patronage of the friends of Sabbath Schools. MARRIED. In this city, Oct. 20th, 1867, by Rev. J. J. Roberts, Mr. FRANK M. LONSDALE, late Lt. Excelsior Brigade, and Mrs. C. A. Davis, all of this city. The printers were remembered. Oct. 16th, 1867, in this city, by Judge Marshall, Mr. Geo. E. DUNAWAY and Miss SALLIE J. Catter, Mr. GEORGE SMITH, of Plattsmouth, and Miss ELISE WENDELL, of Calhoun, Nebraska. Oct. 10, by the same, Mr. CHRISTIAN SCHULTZ, of Rock Bluffs, and Miss EMMA ROEMAN, of Iowa. A "New Champion." We notice by reports of several State and County Fairs, that the new champion, though not a new machine, is becoming notorious by carrying off undue proportions of "first premiums." This machine—the Wilcox & Gibbs—appears especially valuable for its simplicity and ease of action; an important feature in an instrument designed for family use, where of course it must often be operated by unpracticed hands. It appears indeed incapable of getting out of order, and we can readily credit the declaration that some have been in use five years without ever getting out of complete working condition.—Christian Advocate & Journal.
