PLATTSMOUTH, NEBRASKA.

THURSDAY, DEC. 26, 186

CORRESPONDENCE.

We are desirous of receiving correspondence from all parts of the State, relative to the material inter ests of the country, together with such other mat ter as contributors may deem of interest.

"TRUE TO LIFE"

Nesby's account of the meeting of the "unterrified" of Kentucky, at the grocery, was only in anticipation of the action of the party, His account has since been verified by the action of the Kentucky legislature, where, on the Western enterprise. The State is 10th inst, a resolution was offered providing for a select committee from each house to report the assessed Executive proclamation, by the acts of | can take a tract of eigh acres and im-Congress and by the amendment to the prove it, within five years of settlement. Constitution of the United States, known as the thirteenth article; and Law. Many men came here with providing that such committee report nothing but a team, and are now quite independent. In the Platte Valley what steps are necessary and proper to through which the Union Pacific Railenable the citizens of the State of Kenroad runs, the most marked improvetucky to obtain Compensation from the Federal Government for such slaves .-Does any sensible man suppose this of life; whose mellow soil has for the attempt to make the general govern. first time felt the pressure of the plow. In this fertile valley from fifty to fiftyment pay for the loss of slaves in the four bushels of wheat have been grown rebellion would not be successful under Democratic rule? It was claimed in the State, last year, was thirty-three bushels to the acre. Large improved the Kentucky Legislature, in support of this resolution, "that it was clearly farms can he bought for \$5 to \$25 per acre. Stock raising is extensively a constitutional right that the perple of carried on, and no State or country can Kentucky should receive compensation beat Nebraska. For wool-growing were burned to ashes, and their for slave property taken from them," Nebraska has no equal on the globe. and the resolution was passed by a vote of 25 yeas to 6 nays. While the Demeetacy of this part of the country would hoot at the idea of such a result, timber in abundance for building and depot in Buffalo, on the 22d. A HUMOROUS IDEA OF IT.

The Speaker has laid before the House a communication from General inspired originality as the attempt of Grant inclosing the correspondence the Fenians to release Burke ly blow- relating to the removal of Mr. Stanton

as Secretary of War, and also the removal of Generals Sheridan and Sickles. Nearly all the correspondence prisoper's cell, hauled him out through has heretofore been published, but the

following is the private letter to the President from General Grant, about to swap clothes and change places with which so much curiosity has been ex. of the United States is authorized to be

[Private.]

HEAD QRS. ARMY OF THE U. S. (WASHINGTON, D. C., Aug. 11, 1867. 5 To His Excellency, Andrew Johnson, President of the United States:

SIR:-I take the liberty of addressing you privately on the subject of the conversation we bad this morning, feeling as I do the great danger to the welfare of the country should you carry out the designs then expressed; first. on the subject of the displacement of the Secretary of War. His removal cannot be effected against his will without the consent of the Senate. It was but a short time since that the United States Senate was in session, and why not then have asked for his removal, if to have sent Col. Burke and his bag- intention of the legislative branch of the government to place a Cabinet Minister beyond the power of Executive removal, and it is pretty well under-

stood that so far as Cabinet Ministers are affected by the Tenure of Office bill it was intended espicially to protect the Secretary of war, whom the counments have been made; thousand of off a bridge forty feet high. Of fifty try felt great confidence in. The meaning of the law may be explained away by an astute lawyer, but common known to have escaped, and many sense and the views of loyal people more in the other were killed. Both will give to it the effect intended by its framers.

Second. On the subject of the removal of the very able Commander of the Firth Military District. Let me ask you to consider the effect it would have upon the public. He is univer sally and deservedly beloved by the people who sustain d this Government throughout its trials, and feared by those who would still be enemies of the Government. It fell to the lot of but The funeral of the unrecognized vic- few men to do as much against any enemy as Gen. Sheridan did during the rebellion, and it is within the scope of the ability of but few, in this or any other country, to do what he has. His civil administration has given equal satisfaction. He has had difficulties to contend with which no other District Commander has encountered. Almost if not quite from the day he was appointed District Commander to the pres-

he was to be removed, that the administration was dissatisfied with him .-
