**THE
Chicago Republican**
Daily, Tri-Weekly and Weekly Editions.

PROSPECTUS FOR 1865.

The "Republican" after a period of unexampled prosperity, now enters upon the year 1865 with a vigor and energy worthy of its name and history. The name given to this paper was chosen in good faith, and with the full appreciation of a meaning that its policy will maintain to the end.

The "Republican" as the Western exponent of the American system, recognizes the commercial and financial center of the country in the doctrine of

Protection to Home Industry.
Embodying in that Republic platform, whose value to the country, in all times, was sealed by the life, services and martyrdom of Abraham Lincoln, it opposes the pernicious policy of the British traders, who desire to make the United States as dependent upon England as India or Ireland.

ITS COMMERCIAL DEPARTMENT
Is under the supervision of one of the best commercial reporters in the northwest, and the same already gained for it as one of the best commercial papers will be maintained making it an indispensable daily visitor to every business man.

THE DAILY EDITION
Of the Republican contains the latest news by telegraph, express and mail, up to an early hour in the morning; editorially and ably written on the different topics of the day, and reports of the Chicago and Eastern markets, full and complete.

THE TRI-WEEKLY EDITION
Is issued each Monday, Wednesday, and Friday morning, containing the news of the week, and is a valuable and interesting paper.

THE WEEKLY REPUBLICAN
A carefully compiled edition, laden with news—Business, political and general—and in short, anything and everything that tends to make a live, interesting paper.

EVERY MAN OUGHT TO SUBSCRIBE FOR A NEWSPAPER.
In this enlightened age of the world's history we need to be kept abreast of the times, and to be able to take part in the great movements of the coming year will be of unusual interest to every citizen. We are approaching a political campaign of great importance. Every one should be well informed respecting the current topics of the time, and in any way can this information be obtained save by being a constant reader of a first class metropolitan newspaper?

Such a paper is the Republican. It will be found to be complete in every department, and of a character that will commend it to the general public interest and support. As its name indicates, it is Radical in the true sense of the word. It is the whole North and West will concur in its advocacy of its welfare and advancement.

For the sake of the country, the formation of clubs will be well to bestow attention to the following low rates:

Unquestionably the best Sustained Work of the kind in the World.

HARPER'S NEW MONTHLY MAGAZINE.
Critical Notices of the Press.

The most popular monthly in the world.—[New York Observer.]
We must refer in terms of eulogy to the high tone and varied excellence of Harper's Magazine. It is a monthly with a monthly circulation of about 170,000 copies, in whose pages are to be found some of the choicest light and general reading of the day. We speak of this work as an evidence of the culture of the American People, and the standard it has acquired is merited. Each number contains fully 144 pages of reading, and is illustrated with the most beautiful woodcuts, and it contains in itself the most monthly and the more philosophical quarterly. It is the best feature of the daily press, and it has great power in the dissemination of a love of literature. London.

We can account for its success only by the simple fact that it meets the popular taste, and furnishes a variety of pleasing and instructive reading for all.—[Boston Herald, Boston.]

HARPER'S BAZAR.
The publishers will commence on November 1st, the issue of "Harper's Bazar," a Weekly Illustrated Family Journal, devoted to Fashion and Home Literature. This is a new effort to supply the existing need of a Weekly Fashion Newspaper, and to combine therewith a first-class literary journal, which will be indispensable to every household.

Arrangements have been made, at an immense cost, with the most celebrated Fashion Papers of Europe, especially with the famous "Bazar" of Berlin, which supplies the fashions to the leading journals of Paris, to furnish the same to them in advance, so that henceforth the fashions will appear in Harper's Bazar simultaneously with their publication in Paris and Berlin—an advantage enjoyed by no other journal in the country.

The patrons of Harper's Bazar will receive every fortnight large (letter-plate) containing from forty to fifty full-sized patterns, of ladies', misses', and children's bonnets, coats, dresses, underclothing, and other articles, accompanied with the necessary descriptions and directions, and occasionally an elegant colored fashion-plate of the size of Harper's Weekly.

Harper's Bazar will contain 16 full pages of the size of Harper's Weekly, printed on superior colored paper, and will be published weekly.
