

**PLASTIC SLATE,
FOR
ROOFING
AND OTHER PURPOSES.**

the process of reconstructing Slate Stone from a disintegrated state was
PATENTED FEB. 21st, 1865.
It is a combination of

Pulverized Slate and Viscous Matter,
the latter possessing qualities of geological and chemical affinity for the former, and is a development of one of the simple but unalterable tendencies of nature.

AS A ROOFING MATERIAL IT STANDS UNRIVALLED.
A material—it adapts itself to every shape and slope. Non-combustible, impervious, non-expansive and undecaying.
Frost does not Crack nor Heat Dissolve it.
The only Roofing Material ever discovered that will resist the action of the elements as long as the structure it protects. Being susceptible of little if any wear from exposure and

PERFECTLY FIRE-PROOF.
It is unequalled as a coating for railroad and farm buildings, bridges, bottoms of vessels, vaults, etc.

**Agents Wanted for
THE BLUE-COATS,
AND HOW THEY LIVED, FOUGHT AND
DIED FOR THE UNION.**

Scenes and Incidents in the
Great Rebellion.

Compelling Narratives of Personal Adventure,
Thrilling Incidents, Daring Exploits, Heroic
Deeds, Wonderful Escapes, Life in the Camp,
Field and Hospital, Adventures of Spies
and Scouts, Together with the Songs,
Ballads, Anecdotes, and Humorous
Incidents of the War.

SPLENDIDLY ILLUSTRATED.
With over 100 Fine Portraits and
Beautiful Engravings.

There is a certain portion of the war that will never go into the regular histories, nor be embodied in romance or poetry, which is a very real part of it, and will, if preserved, convey to succeeding generations a better idea of the spirit of the conflict than many dry reports or careful narratives of events, and this part is what the people, the fun, and the pathos of the war. This illustrates the character of the leaders, the humor of the soldiers, the devotion of women, the bravery of the pluck of our heroes, the romance and hardships of the service.
The Valiant and Brave Hearted, the Picturesque and Dramatic, the witty and Marvellous, the Tender and Pathetic, and the whole Panorama of the War are here thrillingly portrayed in a masterly manner, at once historical and romantic, reading it the most ample, unique, brilliant and readable book that the war has called forth.
Amusement as well as instruction may be found in every page, as graphic detail, brilliant wit, and authentic history, are skillfully interwoven in this work of literary art.
Send for Circulars and see our terms, and a full description of the work. Address,
JONES, BROTHERS & CO.,
