Flouring
AND
WOOL-CARDING.
 Had for Salt Creek, where you can kill two birds
 with one stone, get your Grain Ground and Wool
 Carded at the same time! The machinery for both is
 in perfect order. We use the Patent Machine Cards,
 which were run enough last year to establish their
 superiority over the old kind, as all who need the
 can testify. The superiority of Mr. S. T. Twiss as a
 Carder is well known, and his services are still re-
 quested for the benefit of the public. With the above
 advantages we favor ourselves that we can make it
 to the advantage of all who work with our line.
