JOINT DISCUSSION.

There will be a joint discussion between Hon. T. M. Marquett and Hon. J. A Hellman at the Court House to morrow (Friday) evening. Turn out, Democrats and Republicans, and hear them.

Don't fail to be on hand at the Court House Friday evening.

The City Recorder advertises for sealed proposals for finishing the grade on Main street, between Fourth and Sixth. See posters

Vallerys & Ruffner are preparing to erect an Agricultural Implement Ware house opposite their Store on Main street.

If you want any kind of Boots and Shoes, you can find the largest and best selected stock at the New York Cash Store wl.

Gov. Butler and Secretary Kennard will address the people at Rock Bluffs next Monday evening, and at Weeping Water on Tuesday evening.

Wheat has been coming in lively from the west during the past ten days. The Salt Creek farmers all bring their wheat to this market.

Advertisers will bear in mind that all advertisements and special notices ordered in the HERALD for an indefinite time will be charged for until ordered out.

Remember that Senator Tipton speaks at *Buck's School House* on Saturday evening, Oct. 10th, and not at "Liberty" School House as some supposed.

See new advertisement of Wiggenhorn & Co. They have an immense stock of goods, of all varieties. Call and see them.

Senator Tipton passed through the city last Tuesday on his way north to fill his appointments. Hon. W. Pottenger accompanies him during the next two weeks.

See advertisement, in another column, of horses found in the Missouri river There is a fair probability that they fell over the bank, from the Iowa side, some distance above this city.

Grant says "let us have peace." Even President Johnson recognizes the necessity of sending troops south to counteract the effect of the New York platform and Blair's letter.

F. S. White has opened a Produce, Commission and Auction house at the old bakery stand, one door west of Kuhl's. Look over the columns of the HERALD for his advertisement—directly

We publish, on the first page of to days paper, a communication from a man who was raised a democrat, and who has *left* democracy and its practical "workings Read the article signed "South Bend."

Wm. Standleman, Esq. returned from the east last week, where he has been selecting clothing for the people of this portion of Nebraska. Billy knows just what will please them, and he has it

Sixteen passengers came in on the Lincoln Coaches last evening, and two coach loads went over to the railroad this morning. The Plattsmouth route is the great favorite.

Henry Clay Dean openly advocates as the policy of the Democratic party, the utter repudiation of the national debt Dean is a kind of skirmisher, and indicates clearly what route the main army is following.

Jacob Vallerv, of the firm of Vallervs & Ruffner, arrived at home last Tuesday from the east, where he has been purchasing goods for their large house in this city. The New goods will be here in a few days.

If you want the best and cheapest Bleached and Unbleached Sheeting and Shirting go to the New York Cash Store. wl

The Omaha *Herald* says that "Progress and Popular sovereignty" is the motto of Nebraska. It has not yet assertained that "Equality Before the Law" is the motto of this State. Has that paper heard of the death of Jackson?

See advertisement of E. G. Dovey. Mr. Dovy keeps an extensive stock, and his long experience in the business, and unsurpassed facilities for purchasing, enable him to offer the best class of goods at the very lowest prices. Call and get his prices, and compare them with others.

The *News* failed to make any especial roar over Dean when he was in Nebraska City. What's the matter? Does not Dean out *rank* Morton? and is he not entitled to especial favors at the hands of his subordinates in meanness?

We are just in receipt of a letter from Brownville giving a description of the debate there and at Peru between Marquett and Hellman. Well—its all right! Will the democrats of Cass please turn out to-morrow (Friday) evening and hear their Champion?

In all his speeches so far as we have heard from him, Mr. J. R. Porter Democratic Candidate for Governor, boasts of his wealth and his ability to make and save money. His returns to the assessors do not corroborate his statements on the stump. He returns his entire monies, credits and personal property for 1868 at the value of $300.

We learn that several loaded wagons have been upset recently at the bridge on Vine street, north of Sixth. The Authorities should look after this bridge, and see what the trouble is. Two wagons loaded with wheat were capsized there last Monday

If you want new Goods, good Goods and cheap Goods, go to E. A. Wiggenhorn & Co., at the New York Cash Store. wl.

Sheriff J. W. Johnson left this city last Monday for Illinois, where a young man named Ray Allison, for whom he has been looking, had strayed and been picked up, in accordance with directions, by the sheriff of the county where he now is "The way of the transgressor is hard," especially when J. W. Johnson is after him with a writ.

Hon. W. Pottenger left for the North Platte country last Tuesday, to take the stump for Grant and Colfax and the Republican State ticket. Pottenger has been the recipient of a vast amount of abuse from Copperheads and they need not be surprised if he should lash them pretty severely.

J. S. Tewksbury Esq., has a few sacks of flour at his warehouse which is superior to anything ever offered in this market. It was manufactured at the Mills of Cannon, Hopkins & Tewksbury, in Kansas City Missouri, from choice fall wheat. Through the kindness of Mr. Tewksbury we have tried a sack of it, and speak advisedly.

Some unknown persons broke into the Drug Store of J. M. Hinchman last Tuesday night and took $5,50 from the money drawer, took what whisky they wanted and left the facet open so that what was left ran out on the floor. They gained an entrance through the back window, and then attempted to open the front door by removing the lock, but failed in this.

Democrats of Cass county, remember that J. R. Porter offers to trade your entire legislative ticket for a few votes for himself. The proposition has been made *directly*, but bidders could not be found. This is not the first time Porter has manifested this "trading" propensity, as some of the democrats of Cass can verify. How do you like to be put up for sale by such a man as Porter?

NOTICE.

Having purchased the entire interest of F. G Dovey in the notes and book accounts of the late firm of Amison & Dovey, I now give notice that all persons owing notes or book accounts must settle up within 30 days or they will find them in the hands of an officer.

Oct 1,—w3 H. Amison.

Republican reader, do you know of a single Republican who is not registered? If you do, make it your first duty to see that his name is placed on the books Remember that next Monday and Tuesday is the last opportunity. Think over those of your acquaintance who would be likely to neglect this duty, and then see if they are all registered Don't wait for some one else to attend to this, but do it yourself, and at once

W J Hesser has placed us under obligations for a fine assortment of flowering plants from his gardens He has a large quantity of Peonies, Tulips, and other choice bubs and roots, which he is selling at 50 per cent less than they can be had in the east. One great advantage in procuring these articles from Hesser is that you get them fresh, with a certainty that they will all grow. Now is the time to set them out if you wish early flowers next spring.

How do Democrats like the proposition made by Mr. J. R. Porter to *trade off* the entire legislative ticket in this county for the *prospect* of a few republican votes for himself? The offer has been made, but no Republicans could be found green enough to "bite." The man who would try to sell six other candidates on the same ticket with himself for a few votes for himself—not enough to elect him—would return his monies, credits and personal property at $300, and would go into the "butter business" extensively.

We learn from the *Commonwealth* that Mr. J. R. Porter, during his recent campaign trip, stopped on Salt Creek and paid up his old butter bill. What a fortunate thing for the farmers of Salt Creek that Porter was brought out as a candidate If there are any others who have "butter bills" against Porter we would advise them to bring in their accounts before the 13th of October. The *Commonwealth* does not say whether these Salt Creek men had to promise to vote for Porter in order to get their pay.

If you lose anything, advertise it. If you want anything, advertise for it If you have anything to sell, advertise it If you are engaged in any kind of business, advertise if you would be successful. Last week we advertised for a pocket book containing about $80 in cash and on Monday the pocket book and money was returned to the owner by a man who lives twenty miles distant, whose only knowledge of who it belonged to was obtained from the advertisement.

The great representative of the "White Man's party" in this locality—would-be Governor Porter,—was engaged last Tuesday in the laudable enterprise of electioneering John Newton, who, according to the democratic way of expressing it, is a d—d nigger" The colored troops fought nobly," and John informed this seeker after Republican votes in Cass county that he would "see him in h—h—alifax" before he would vote for him. Try again Jeem! You may "raise" a radical vote in Cass directly; but it "can't be did" among the colored troops.

Registrar's Notice.

There will be a session of the Registrars at the store of W D Gage, on Monday the 7th and Tuesday, the 8th day of October, 1868, from the hour of 9 o'clock a m to 5 o'clock p m of said days, for the purpose of correcting the list of qualified voters of Platts-mouth Precinct, in accordance with law. All persons interested must appear before said Board upon those days.

W. D. GAGE,
