At Masonic Hall, next FRIDAY evening.

The ladies of the M. E. Church have the thanks of the HERALD for a beautiful cake.

Hon. Jos McKinnon was in the city last Tuesday on business. He will leave home for Lincoln early next week.

The young people are making great calculations on "tripping the light fantastic" to-morrow night after the festival is over.

The grandest Festival of the season.

A large carriage factory is to be started in Salt Lake City, by a Saint who has been learning the business in Concord, N. H.

A Mormon emissary is now in Winona Minnesota, on a proselyting mission, with the especial object of enticing young women to go to Utah.

Wm. Baker, jr., who learned the printing "biz" in the HERALD office, has been visiting his friends in the city during the past week.

Dont fail to be in attendance.

A Mr. Jeffries of Council Bluffs, has invented a stove drum which the *Nonpareil* affirms will reduce the quantity of wood required fifty per cent.

We learn from the Johnson Bro.'s that sixty couples were present at the dance at Ashland Christmas eve. The affair passed off pleasantly.

Pawnee county is going to have a Court House, as the contract has been awarded to Curtis & Peavey, of Pawnee City, for $14,950. The house is to be built of stone, and is to be completed by next September.

A new town has been started on Little Blue, in Jefferson county, near the junction of the Big Sandy, and on the line of the 6th principal meridian. And the name is to be Merian.

Remember the Masonic Festival to morrow—FRIDAY— evening, at 6:30. Preparations have been made to accommodate all that wish to come, and we expect to see a large turn out.

The roads are hard-but we cannot say that we have either good sleighing or wheeling, in some places the snow is plenty enough for sleighs while in others the ground is perfectly bare.

Read Wm. J. Hyatt's new "ad" in this issue. William keeps a No. 1 Livery Stable, and if you want to hire a good span of horses and carriage for a few hours, give him a call.

See prospectus of "Demorest's Monthly Magazine" and "Demorest's Young America" to be found in another column. They are both No. 1 Magazines, and deserve the patronage of all those who like good reading.

FOUND.—On last Thursday, 24th inst., on Oak Street, near Fred Stull's property, in this city, a lady's black and white checked shawl. The owner can get it by calling at this office and paying for this notice.

The receipts of the M. E. Church Fair and Festival last week were about $300—the largest amount ever received at a festival in Plattsmouth. The Hall was crowded full of people, and all speak well of the entertainment

Our old friend, J. Newt. Hays, of the Fremont *Tribune*, was in the city from Saturday till Monday last, "looking around" over his old stamping ground. Hays is as gay and festive as ever, and appears to think Fremont is the exact centre of the universe.

The public installation of officers of Plattsmouth Lodge No. 6 was witnessed by a large number of persons at 2 o'clock last Monday, in Masonic Hall. The ceremony was performed by P. M. Bro. R. R. Livingston. At its conclusion the the officers of Neb. Chapter No. 3, were installed by M. E. G. H. P., D. H. Wheeler.

We are sorry to hear that the Ferry Boat at arago has sunk. We hope they may succeed in raising it and get it thoroughly repaired early in the Spring, or else get a new boat, as Arago is probably the most accessible point to Pawnee, for those who wish to go to Missouri, either for lumber or to reach the St. Jo. and C. B. R R. So says the Pawnee *Tribune*.

Before another issue of the HERALD the editor will be in Lincoln, to remain until the close of the session of the Legislature. Ample preparations have been made to supply the editorial columns with interesting matter, and Orin H Mathews, Esq., will be always on hand to transact any business pertaining to the office.

The nomination of Hon. A. S Paddock of this State, as Governor of Wyoming Territory, was confirmed during the session last summer, but, owing to the neglect of Congress to make the necessary appropriations to defray the expenses of putting the new Government into operation, the confirmation was reconsidered. The Honorable gentleman declines a renomination by the patriotic (?) President.

A special to the New York *Tribune* says that Secretary McCullough received a dispatch on Saturday, from an agent of the Government at Mobile, reporting that he had discovered $1,000,000 of gold and asking what he should do in the premises. The Secretary directed him to procure an escort and take possession of the property. Nothing further has been received by the Secretary respecting the treasure Neither the Secretary nor Mr. Spirner has any conception of the meaning of the dispatch.

We call the attention of our readers to the advertisement of Dr. Burton's Tobacco Antidote, in another column.—There is probably no greater curse to the American people than tobacco—if we except ardent spirits—and the man who offers to the public a certain cure for the use of this filthy weed—as Dr. Burtons Antidote has proved itself to be—is entitled to the thanks of every man and woman in America. We understand O. F. Johnson & Co have ordered a quantity of the antidote.

On Monday evening last the Eastern Star Degree was confered on a large number of ladies, the relatives of Masons in good standing. The degree was conferred by P. P., R. R. Livingston. At the conclusion of the ceremonies the new officer for the ensuing year were installed as follows.

Bro D H Wheeler—Patron
Sister Amelia Duke—Patroness
Bro M B Murphy—Conducter
Sister Lizzie Billings—Conductress
Bro E T Duke—Treas
Bro J N Wise—Recorder
Bro F S White—Watchman.

Last Thursday evening, at the Presbyterian Church, was a time long to be remembered by those who were present.—The church edifice was crowded to its utmost capacity with an audience composed of the Sabbath school in connection with the church, and their parents and friends gathered there for the purpose of receiving and witnessing the distribution of presents. from one of the most beautiful and heavily laden Christmas Trees it has been our pleasure to behold. The exercises commenced with the singing of a piece of music entitled "Christmas Bells" by a class of Misses, followed with prayer by the Pastor of the church. At 6 1 2 o'clock the distribution commenced, and continued an hour and a half in which time several hundred dollars worth of presents were passed out to happy hearts, by the superintendent, as fast as a half a dozen gentlemen could take them from the tree. Altogether the occasion was one of exceeding interest, and deemed to be highly enjoyed by all, and more especially by those who were the receiptiants of presents.

Persons indebted to me will please call and settle immediately and save costs. This is the last call I shall make before placing accounts in the hands of an officer for collection. GEO. BOECK.

PAY UP.

All persons knowing themseves indebted to me will please call and pay up immediately. A word to the wise, etc.
Sept.10 tf. C. E. FORGY.

About five years ago Mr. Thos. Thomas, of this county, picked a few kernels of wheat from some canary seed in Black & Butterys store, and concluded to try the experimeut of cultivating them. The first year the crop was destroyed by vermin, except a few stocks from which he obtained 90 grains; the product of these 90 grains, up to this year, is 42 bushels, notwithstanding the grasshoppers done serious damage to it during the past two years. Mr. Thomas thinks from what experience he has had with this new kind of wheat (which, from the method of obtaining it he calls Canary Wheat) that it will yield about 50 bushels to the acre with a fair opportunity. It makes good flour, of a yellowish east, raises well and makes as good biscuit as our best spring wheat flour. In order that the seed may be preserved, and others may have a chance to try this wheat, Mr. Thomas proposes to dispose of a small quantity at $3.00 per bushel.

He also has a small quantity of the famous 'Surprise Oats," from which he raised 2 1 2 bushels from 2 quarts the first season; and this year 44 1 2 bushels from the 2 1-2, notwitnstanding they were seriously damaged by grasshoppers both seasons, after they were headed out. The Oats will be disposed of, in small quantities, at $3 00 per bushel. Specimens of the Wheat and Oats can be seen by calling on Mr. Thomas, or at the HERALD office. nov26m4
