We call attention to the Election No. | The entire Democratic ticket was elect beware of these Ishmælitish members .-They mean the party no good and do it much harm.

The following is from the Pawnee Tribune: Mr. Boon, of Table Rock, who was in Pawnee City, one day last week, after cottonwood trees, informs us that he had taken a homestead a year ago this Spring. His ground has never been broken; but, nevertheless, knowing the importance of fruit, he purchased and planted forty apple trees He spaded fant are busy appraising the school lands up the sod, and dug the ground deep of Cass county. These gentlemen were enough to get tolerably mellow earth in appointed by the Commissioners at the which to plant the roots. Notwithstand April term to appraise these lands, which ing an unfavorable season, every tree lived and grew; and it only occupied a day, or an hour or two more than one day, in planting. Such men are sure to prosper, and to get rich, and not only that, but they are a blessing to the neignborhood in which they live. If every man who settled in this county ten, twelve and fourteen years ago, had planted out a good orchard the first, second or third year after he came hero and taken good care of it, they would many of them have been better off than they now are, to the amount of one or two thousand dollars, and not only that, but the average value of land in this county would have been at least \$1 per

Many put off planting trees from year to year on the score of poverty. Orh ers postpone it for want of time-they must raise corn and wheat for bread for their children. But some of them, we think, get into a "from hand to mouth" way of doing things that will for years keep them poor.

The notorious Ned Buntline lately went to San Francisco as a temper and what followed, are thus described: "After delivering the most thrilling tetotlar lectures there, and inducing Gen. R. R.
