SUM NATURAL HISTORY.

BY JOSH BILLINGS.

FLEAS. - The smallest animal of the brute creation, and the most pesky, iz They are about the bigness of an on ion seed, and shine like a bran Lew

They spring from low places, and can spring further and faster than any

of the bug brutes. They bite was than the muskeeter. for they bite on a run, one flea will go aul over a man's suburbs in 2 minnus and leave him as freckled as the mea-

It is impossible to do anything well with a flea on you except you sware, and fieas ain't atraid of that; the only way is to quit bizness ov aul kinds and hunt for the flea, and when you have found him he ain't there. This is one of the fiea mysteries, the fakulty they have ov being entirely lost just as you have found them.

I don't suppose there is ever killed. on an average, during enny one year more than 16 fieas in the whole ov the is a casualny ov some kind-once in a while there is a dog gets drownded odden, und then there may be a few flens lost.

They are about as hard to kill as a flax seed iz, and if you don't mash them as fine as ground pepper they will start business on a smaller kapital ist az pestiferous az ever.

There is lots ov people who never seen a flea, and it takes a pretty smart man to see one encyhow, they don't stay long in a place. If you ever ketch a flea, kill him be fore you do ennything else; for if you

do put it off 2 minnits, it may be too Menny a flea has passed away for ever in less than 2 minnits. BED Bucs .-- I never seen ennybody

yet but what dispised bed bugs. They are the meanest of aul crawling, creep ing, hopping or biting things. They dasent takle a man by dalite. but sneak in after dark, and chaw him

while he is fast asleep. A musketo will fite you in broad dalite at short range, and give you a fair chane to knock in his sides-the flea iz a game bug, and will make a dash at you even on Broadway, but the bed bug is a garroter, who wants till you strip, and then picks out a mellow place

tew his face. Bed bugs are uncommon smart in a

enuff to last a smail family for a whole ble gentleman, he was a great rascal

bluejay's eye, and have a brown com arely he was a great scoundrel. Mrs. at Ephesus was 420 feet to the sup 'Yes, sir.' the blushing child replied; plexion, and when they start out to Grant said be had just been giving her port of the roof.
