LOCAL NEWS.

Senator Tipton and lady have gone to San Francisco on a pleasure trip.

Robberies are becoming quite common in Omaha.

John Ross, Esq., took possession of the Platte Valley last Thursday.

The grading between Ashland and Lincoln will be completed by the 15th of next month.

H. N. Orr, Esq., arrived in the city Sunday from Grand Island, on the U. P. R. R.

The prisoner Gilfoil took "leg bail" last Friday, while out working on the street, and made good his escape.

Rev. Mr. Cameron arrived last Saturday, and held service at the usual hour Sabbath morning and evening.

The basement of the building in which the HERALD office is located is being fitted up for a saloon.

Capt. Palmer has just returned from a trip in the interior. He informs us that the country is literally filled with grain.

A fellow calling himself C. G. Whitman, "done" Ware's Bank in Nebraska City for $3,000, with a forged draft.

Dan'l Sullivan was arrested Tuesday on complaint of Pat Kelley for stealing, and committed for trial.

See card of Mitchel & Wolfe in to-days paper. They are excellent workmen. Call on them if you want a good job.

Billing's new business house, on Main street, is progressing rapidly. Mitchel & Wolfe have the contract of the carpenter work.

The force heretofore at work on the Depot grounds, having about completed that job, have been sent further up the line.

The Railroad Company have purchased a transport, which will be here in a few days, ready to commence crossing iron for their road west from this city.

The Omaha *Republican* speaks of Dr. Miller as "the gentleman from Utah," since he has become the champion of Mormonism.

There are already nine or ten saloons in operation in this place, and we know of four or five more rooms being fitted up for others to be opened in.

If the weather is favorable, the iron horse will make his appearance on the opposite bank of river in about ten days from date.

The building on Main street, near Sixth, designed for Marble Shop, will soon be in readiness. Mr. Pronger is doing the carpenter work.

The recent rains took away all the bridges along Salt Creek, causing the Mail between here and Lincoln to be very irregular.

Messrs. Lazenby have closed out their brick business, and have been removing their surplus wood to the west part of town.

Last Monday was pay day on the Railroad work. It took a large sized valise to carry the requisite amount of greenbacks up the line.

The west half of the third story of Masonic block has been leased by the Railroad Company for offices. Carpenters and joiners have been at work for the past week, putting it in shape.

A laborer on the railroad, named Jas. Garvin, died on section 6, last Thursday, of bleeding at the lungs. He only lived about twenty-four hours after he was taken ill.

G. W. Colvin advertises a large quantity of property for sale in to-days paper. Parties desiring either farm or city property can probably suit themselves by seeing Mr. Colvin.

The vote in Quincy resulted in favor of the Railroad loan, and it is now thought that the question of building the railroad between that city and Brownville is settled beyond doubt.

Chas. Robine has rented his new building, two doors west of the HERALD office, for $75 per month. It is believed "dat leetle games" can be found in there.

See list of property for sale by Maxwell & Chapman. This list embraces some of the best property in the city, as as well as excellent property in the country.

Hesser called on the HERALD office yesterday with a fine lot of Sweet Potatoes, of the Bermuda Red variety. He will have an abundance of them for this market.

If the logic of our astute City Attorney is good, that the transferring a title gives the grantee a better title than the grantor possessed, then a man can steal a piece of land, have it transferred a few times and the title is perfect.

Read the Railroad articles in to-day's paper, and then say whether you think Plattsmouth stands a show for a large city. Her chances to-day are better than those of Omaha ever were.

We commend the article in to-day's HERALD, headed "Under which King, O! People!" to the Democracy of Nebraska. It is from the pen of the ablest and oldest Democratic writer in the State —A. F. Harvey.

Having no house in which to hold Service, Rev. Mr. Foster, Congregationalist, preached last Sabbath morning in the open air at the corner of Main and Third streets. We believe that this is the first introduction of street preaching in this city.

Mr. Taylor, in charge of work for Fitzgerald, informs us that over twenty car loads of iron have already arrived at the junction opposite this city, and that the work of laying it will commence in a few days.

We learn that Mr. James Clayton has been appointed Post Master at Rock Bluffs in this county, and Thos. W. Valentine, Esq., of Ashland, Saunders county. They are both Republicans, and supersede Democrats.

The most convincing temperance argument we have seen for a long time is John Fitzgerald, Esq. He has been engaged in railroading for twenty years, has made a fortune at it, and never tasted a drop of intoxicating drink during his life.

We understand that Mr. Hays is selling a few of those valuable residence lots in his addition at very reasonable figures. He has some of the finest locations that can be found in the city. Now is a good time to secure one at reasonable figures.

It looks strange to many of our citizens that the City Council should retain the services of an Attorney who had used his official position, while under pay from the city and under oath to guard her interests, to place money in his own pocket, at the public expense.

A. L. Stearnes, Esq., State Agent for the National Series of School Books, published by A. S. Barnes & Co., called on us yesterday and left a specimen of his books. He informs us that his series is meeting with considerable encouragement throughout the State.

Since the resolution rescinding the contract with the Dock & Levee Company was voted down, some of the members of that company have become exceedingly bold and declare they care not for public opinion, but that they have a valid contract with the city and propose to enforce it.

We learn from authorative sources that the B. & M. R. R. Co. will commence the erection of Machine Shops at this place in a short time. They will not, probably, erect very extensive buildings this fall, but will only put up such as will be needed for repairing etc., during the winter.

Breadstuffs have taken an upward step lately, all over the country, owing to the great advance in Europe. Two weeks ago large quantities of wheat could have been contracted in this locality, for seventy-five cents per bushel, but could not be contracted to-day for $1 per bushel.

If the argument—or assertion—is good that the city can give a better title to property than she has herself, then, we presume, on the same busis, a few transfers of a 'tax title' would make it as good as a Warranty Deed. That may be "grammatical," but it is certainly not logical.

It is said that the Midlanders require contractors to give security that they will pay their hands; but some who have endeavored to get contracts on the work inform us that the Company refuse to give security to pay the contractors. If they could get such men as Fitzgerald & Mallory to take their contracts there would be no necessity for binding them to pay their hands.

Our readers will remember that during the summer of '65 the HERALD took the position that the route crossing the river at this point was destined to be the great thoroughfare across the Continent, and gave its reasons for the belief. From articles in this issue of the HERALD it would seem that others are of that opinion now, and advance the same arguments.

Mr. R. N. Hodsking has bought out Peter Rowen's Billiard Tables and bar fixtures, second story Masonic Block, and is fitting up in first class style. He is having a new floor laid, and proposes remodeling the entire concern, making it a place suitable for all lovers of the game to visit. Three new tables are on the way, and as soon as every thing is in readiness the place will be opened under the name of the "Brunswick Billiard Hall."

At the meeting of the City Council on Tuesday evening of last week, Alderman White said "he was there to obey the command of the people—if the people said to give all the Levee Grounds to the Railroad Company he would do it." In less than ten minutes afterwards a petition, signed by almost every citizen of the city, was presented asking the rescinding of the contract with the Dock & Levee Company, Alderman White cast his vote against the resolution rescinding the contract.

A fellow named Patterson got into a row in a saloon last Saturday, and came out looking a "little the worse for vear." Not feeling satisfied, he commenced to make a loud noise on the street, stamping and beating some imaginary foe at a furious rate, when Sheriff Johnson "gobbled" him and took him before Recorder Wells, who committed him for examination after he was "sobered off." He was brought out in the evening and fined $5 and cost. He played the "innocent" dodge so shrewdely that Recorder Wells remitted his fine, and the fellow pledged himself to keep sober and leave town immediately. The next day (Sunday) he was drinking again, and in the evening became very noisy and abusive. Sheriff Johnson again took him in charge about 9 o'clock Sunday evening, and started to take him to jail. Arriving at the bridge on Third street, Patterson concluded he would not go to jail and resisted the efforts of the Sheriff, telling him that he was not man enough to take him. He did not happen to know Sheriff Johnson as well then as he does now or he would not have "squared himself" against him. It is sufficient to say he went to jail and his face looked very badly when he was again brought before Recorder Wells.—He was fined $10.00 and cost this time, and is now working it out on the street.

87 DEARBORN STREET, CHICAGO, ILL.

We, the Druggists of Plattsmouth, call the attention of our customers to the letters published below of the wonderful effects of Dr. Roback's Stomach Bitters, Dr. Roback's Sanguavian Blood Pills. We have been selling these medicines long enough to know that they are recommended to be, and that the certificates of cures published are true.

Read the following letter from one of the oldest and most reliable grocery merchants in the city of Davenport.

FRIEND WALTON:

Agreeably to my promise to you when here, I write you, for publication if you see proper, a true statement of the good effects of Roback's Stomach Bitters upon myself. I had been troubled with indigestion for a long time, attended with severe headache, particularly after eating, when fortunately an old soldier friend came into the store and recommended me to use Roback's Bitters. I did so by taking a small wine-glass full just before each meal, and to my great joy I was relieved at once, and am now well by their use. I would not be without them at any price. I have not taken any other medicine since I commenced using the Bitters. And I can say with a clear conscience, try Roback's Bitters—they will do all they are recommended to do—if taken according to directions.

Yours truly,

FRANK H. MILLER,

Of the firm of Beideback & Miller Wholesale Grocers, Davenport Iowa.
