found the announcement of J. W. Johnson as a candidate for the office of Sheriff, subject to the action of the Republican nominating convention. It is of the utmost importance to every citizen that we have a good Sheriff in this county, not only that we may save great expense, but that order and quiet may be maintained. There never was a time when there was more necessity for a good Sheriff than at the present, and we trust the people of Cass county will re nominate and re-elect Mr. Johnson by a majority that will speak louder for his conduct heretofore than anything we

THE DEROCRACY

Of Cass county boasted last spring that they would sweep the country at th October elections, by reason of disaffection in the Republican ranks. They have been constantly at work since that time endeavoring to create that disaffection, but have succeeded very poorlyin fact, they have succeeded as poorly in that as they did in preventing the triumph of the War for the Union. All manner of reports have been taken to prominent Republicans in the country as to what was said and done in the town. and vice versa; all with the one object in view-that of creating trouble in the Republican ranks. How well they have succeeded, a few days will tell. We have only to say to all true Republicans. do not believe a word of what comes to you through such sources. Turn out and see that good men of your own party are nominated and elected. The latest dodge of these trouble breeders is to call a "People's Convention." and we look for a call soon, signed by such "patriots" as Wheatly Mickelwait, R. G. Doom. etc., and probably one or two individuals who formerly acted with the Republican party. Will Republicans of glorious old apple-weighs twenty-nine ounces and Cass be trapped with chaff? We think not. The enemies of freedom have

BATTLE WITH THE INDIANS.

The Indians Brisen off with the Loss of Two Killed and a Number Wounded. Three Men Messacred on the North Fork of Wind River, and An-other Soverely Wounded.

The following is a copy of an official dispatch from Col. James S. Brisbin to Maj. Gen. C. C. Augur, Commanding feet of an embankment was carried out Department of the Platte:

HEAD QUARTERS U. S. EORCES,
SNAKE RIVER INDIAN RESERVATION.
Sept. 14, via South Pass 15, 1869.

Maj. Gen. C. C. Augur, Commanding Department of the Platte:
Yesterday morning eight Indians, sup-

posed to be Shoshones, appeared on the oluffs below this camp. I immediately sent out D company, Second Cavaly, and when a little beyond the bluffs they were attacked by about one hundred Sioux warriors. The company made a good fight, and drove the Indians off, killing two and wounding a number. Our loss was two men wounded, and one horse killed and nine captured. The settle-ment on the North Fork was attacked and Mr. Skinner. Mr. Cogurn, and one man whose name is unknown were killed. and M. Williams severely wounded. No news from Little Wind river. The eav-

Groundless Railroad Eumors.

From the Chicago Railway Review.] We are able to assert, authoritatively, the groundlessness of the recent newspaper rumors concerning the purchase of a controlling interest in the stock of the Hannibal and St. Joseph Railway Company by parties representing the Erie management, and also those concerning the transference of the Great Western, of Canada, to Commodore MONUMENTS. Vanderbilt. As regards the Hannibal and St. Jo-

seph, a large majority of the stock still remains in original (Michigan Central stockholders') hands, and there is no prospect of change. Even were such an event to occur, however, it would not be WAVERLEY, N. Y., Sept. 21.-The looked upon as injurious to the Missouri oroner's jury in the case of the accident interests of the Michigan Central and Chicago, Burlington and Quiney. The a link in a materially shorter line between Chicago and Kansas City. This would require the construction of a road from Ottumwa to Cameron, connecting with the Cameron and Kansas City which would be practically an extension of the new road in the direction of "air line," The distance saved, as compared with that via Quincy, would cers, to the effect that they can make be more than-fifty-miles, Concerning more money by running their distilleries the advantage of having the Kansas according to law, provided all distillers City line identical for so great a distance do the same, than by making illicit with the Chicago, Burlington and Quinwhisky and incurring the risk. They cy Union Pacific connection, it would be

Andrew Johnson hoped to make him-self the target of all the Northern Republican press, when he commenced his canvas for the United States Senate.— He also hoped to invoke the aid an effort on the part of the Administration to defeat him would render him; but in both he has been disappointed. His presence in the United States Senate would be more annoying to himself, if he possessed the ordinary sensibility of his race, than to anybody else. His in-fluence has ceased. The most he can ever expect to be is a frightful example of what political and personal treachery can make a man.

Two friends taking a walk on a turnpike leading from Baltimore, were passing a mile-stone inscribed, "2 M. to B." IMPORTAN TO BOTH SEXES. "Poor B-1" said one of them; "a queer place for a grave, and a mean sort of a stone to mark it." "Why, it's a nile stone, man!" said the other into-cently. "It is, indeed? If "2 M" don't spell tomb, I should like to know what it does spell.

If you have an ailing son or daughter, by all means prepare a nice garden plot, nothing that will induce finer spirits or better health. Animate them with good tools, and some nice work on gardening, and see if the roses do not grow.

Hundreds of lives are lost every year by diseases which have been neglected or improperly treated. In the case of young men there seems no apology, and yet in many cases they attempt to cure themselves with vile nostrums, and in | chased the south half of | consequence shorten their dives, and pass the miserable remnant of existence with their blood filled with the poison of a stifled, but not cured disease, which must inevitably be transmitted

to the third and fourth generations. With young women there seems some excuse, and yet their utmost secreey will not conceal the | ship facts. Any intelligent physician who walks A Madison avenue belle writes from the White Mountains; 'It's awfully cold; I'm wrapped up in shawls, and have a fearfully red nose. There are no eligible in his daily walks scores of this and kindred complaints, in both seves the existence of which they cannot ignore. The educated sufferer knows the physician can detect this. The physelves to become sacre wrecks of humanity, and to translait diseased constitutions to their descendants.

To Young Men.

\$150,000. It is to be divided up into small farms, and colonists from the North are to settle upon it.

and totally destroying its victim, mentally and physically, sooner or later. The disease is progressive, and, if not encoked, diganess, loss of memory, upom the mouth during sleep, and failure of all ysical energy seen follows. From this stage is a series of short steps to an early grave, or the confinement of a lunatic asylum.

Many of these young men have responded to advertisements of so-called Benevolent "Associations," or unscruptious quacks in distant cities, and after having been swindled of their money by one and another, have abandoned hope and pronounced themselves incurable.

Dr. Stoddard practices on the "no cure, no pay" principle, and proposes to forfeit \$1,000 and all fees if he fails to cure any case of seminal weakness where his treatment and directions are followed. He uses no secret remedics—none but vegetable medicines, and his peculiar treata series of short steps to an early grave, or the at vegetable medicines, and his peculiar cent must receive the endersement of ai
