Then we have her plowing

We believe in a general newspaper patronage, and think every family should take at least two or three newspapers. The people of Plattsmouth agree with us in this particular, and many of them take Omaha and Nebraska City papers, besides the HERALD. We would say to those who are taking papers from these places, just observe carefully how much is said in them that is calculated to benefit Plattsmouth. Omaha papers have much to say about the interests of Nebraska City, praising her advantages, etc., and vice versa. Do you see anything in the papers of either locality that Mr. McCarty, of Ulysses, informs us is ca'culated to benefit Plattsmouth. If that a young man from near his place, you do, let us know. The HERALD is recently concluded that he did not like working for the interests of this locality. this region, and not being fitted for There are a few citizens here who do traveling with comfort and speed, he not support the HERALD as liberally as
