GREAT RUSH! LARGE CROWDS!! E. A. WIGGENHORN & Co., Spring and Summer Goods, NEW YORK STORE.

The Nebraska Herald, LOCAL NEWS.

From Thursday's Daily. Mr. Frear, the inventor of the "Frear Stone," has been in Lincoln for several days, says the Statesman.

The ferry boat at Nebraska City struck a snag last Tuesday afternoon and sunk. She is said to be a total wreck.

We are informed by Mr. Clark, of the Bank, that a large quantity of counterfeit money is being "shoved" in this locality.

We learn from the papers of Nebraska City that their Southwestern Railroad Company refuse to take any notice of the proposition of the Commissioners of Otago county to give them \$150,000 in county bonds.

The ice thinned out in the river to-day so as to allow the ferry boat to cross this afternoon.

The killing of Cornorton, near Rome, Iowa was caused by the colliding of two trains. Several other persons were injured.

Hamburger & Berliner expect to remove to their new rooms in Murphy's Hotel Building sometime next week.

Moses Stinking, Esq. has made an elaborate report of his examination of the country between here and Fort Kearney, along the line of the B. & M. R. R., portions of which will be published in the HERALD soon.

The Omaha Republican says the members of the Episcopal denomination have already raised a new structure adjoining the site of the church building which was burned a few days ago.

The Advertiser says: "Mayor Fairbrother has resigned the office of Mayor of our city, and moved with his family to Tecumseh, where he will engage, in connection with his brother, E. M. Fairbrother, in the publication of the Tecumseh Citizen. This leaves the office of Mayor vacant."

Mr. Quaid, in charge of tracklaying west from this city, is getting cleverly started out from the side tracks and switches, and about next Monday will begin to put down a half a mile a day.

It may not be generally known, yet it is a fact, that parties in this State desiring to "commit matrimony" are required, before obtaining license, to have a record made of various matters, among others the color of the parties desiring to be joined in marriage.

What is the COLOR of the Bride? Language is inadequate to describe the consternation and horror depicted upon the countenance of the aforesaid "representative" as he looked at the immovable countenance of the man of law and exclaimed: "Great God! do you think I would marry a NIGGER?"
