GLORIOUS NEWS. The B. & M. R. Railroad is now open for business. The first regular passen-

ger train will arrive at Plattsmouth today (Thursday) at 11 o'clock a. m., and larly between this city and Chicago. From Saturday's Daily.

D. A. Cunningham, foreman in the Council Bluffs Nonpareil office, died last Monday of small pox.

amending the Homestead laws so as to young again. Let us have a call. require the planting of trees on a homestead settlement.

They had a "Golden Wedding" in Ne · braska City, upon the fiftieth anniversary of the marriage of Mr. and Mrs. John McCana. This is the first "Golden Wedding" for Nebraska.

The Omaha Herald contains an item giving the whereabouts and occupation of the principal characters of the rebei government. Nothing like keeping posted in regard to one's particular friends, Dr.

pretty thoroughly exploded, it having Omaha has proved a failure." transpired that the supposed petrified human form of ponderous proportions was the work of a Frenchman, who chiseled the form out of a Gypsum rock some three or four years ago.

It is said the people of Johnson county are using corn for fuel, instead of wood. They have plenty of corn, but are too and eighty miles in length-from Burfar from a market. Should the fears of lington to Plattsmouth-and we venture the Omaha Herald prove correct and the to say that he understands the exact B. & M. R. R. should be built southwest from Lincoln, Johnson county would be accommodated thereby.

The Chronicle says Nebraska City wants a large hall and a market house. City coming to the conclusion that she number of engines. must imitate Plattsmouth, and "want" something, if she expects to keep in sight of us during the race for commerfor Nebraska City to be wanting something. We are pleased to hear such expressions from the Chronicle, as we look upon that paper as a true representative of Nebraska City interests.

Our admiring friend of Lincoln the Journal does us too much honor in calling us a "veteran railroad builder." We have concentrated what little force we could muster on the building of one line only-the B. & M .- and whether or not our efforts had any effect, the road is being built ahead of any other road in the State. We have sometimes thought it self upon some one thing, instead of past. spreading himself out so thin over a large number of subjects. But, then spreading is the normal condition of somethings, and it may be 'what ails' the Journal.

Wm. Quick, Esq., Division Superintendent of the U.S. Express Company. with headquarters at DesMoines, was in the city this morning. Mr. Quick has been in the employ of the U. S. Ex. Co. these many years, having risen to his present responsible position through n.erit alone, starting in as a messenger Such men never growl at "the reverses was in the city to day on matters connec- at such low prices. We advise farmers and a Letter route for the Rock Island of the wheel of fortune," for they are ted with the schools of his locality. The and others to call on them and lay in a Road from Council Bluffs to Ft. Kearney not dependent upon any such caprice. genial countenance of the Captain is large supply. It will pay you to do via Plattsmouth and the B. & M. than They depend upon their own energy, and ever welcome in the HERALD sanctum. it. straightforwardness and always succeed -maybe not at the first, or second, or third attempt-but they always succeed.

to-day. Col. Peck has been in the city for a his work up the road this afternoon. He informs us that work on his division s progressing satisfactory.

A recent number of the Nebraska City Chronicle says: "A year's collection of taxes on the dogs of the coudty, amounts to \$376, as shown by the report

Col. Tichnor, of Salt Manufacturing iotoriety, arrived in the city yesterday evening. We hear it rumored that he for the correctness of the report.

The Nebraska City Chronicle says: A large number of railroad hands, employees of the Midland Pacific, were in the city yesterday, endeavoring to get their money; with poor success. Whether it is the fault of Dr. Converse, or the sub-contractors, we are not informed."

Our old friend, Jas. Hindsley, Esq. has sold his place in South Bend, and Salt Creek, where he is fixing up a fine place. Hindsley is an energetic go-ahead kind of man, and we wish him success in his new location.

A. W. Prole, Esq., or Osceola, Iowa, has been in the city for several days making arrangements for opening business. He has bought out White & Buttery's establishment, and will open a large stock of fresh goods, consisting of Drugs, Medicines, Stationary, Musical instruments, Fancy Goods and Confectnoncries about the first of February. Mr. Prole is highly recommended by those who know him well.

The following persons are to receive

Some St. Louis and Omaha gentry, not being used to the water in this city, got their ideas badly mixed up last night and several of them amused themselves by seeing how hard they could "punch" Capt. Hoyt, of the American Eagle, one of their companions in the face without hurting him. Their ideas of distance and direction are said to have been sadly deficient, hence the "nunchee" was not seriously injured. The question this morning was 'who struck Billy Patterson'

SELLING OFF.

We endeavored to be "sociable" with Col. Taylor, of the Republican, a few lays since, and asked him to provide himself with a box of "Burton's Tobacco Antidote' when he expected to join us at the junction for a trip to Chicago, as

"Isn't it a bottle of Bourbon," and not a "box of Burton" that you mean? Come brother Hathaway—never mind the Good Templers—plump it right out! We want to know just how to arm our-

Well, Col., we shall endeavour to accommodate ourself to circumstances.' But, then, we were in earnest about the Burton, and never for a moment dreamed | Cty Presss, the following significant parathat it would be necessary to remind you graph is found: of the "Bourbon."

Quite a lively domestic drama was en acted in the central part of the city a few days since. One of the "strong minded" land well muscled fair ones of the city took exceptions to the doings of parties who had rented a building of her liege ord, and she thereupon commenced to issue her orders as to how things should be done. The gentlemanly tenant broke the news to her in as delicate a manner as possible that she was not "boss" of that establishment. This gentle reminder so exasperated her that she immediately siezed the table cloth, upon which was spread the breakfast dishes, jerked the entire outfit onto the floor, and commenced to dance a hornpipe on the mass, & St, Joe Road. This road leaves the strength as well as mental excitement, facts being made known to Barker he she ceased the destruction of china ware, armed himself with a pistol and went We understand our enterprising towns - and retired in good order to her own home about eight o'clock in the evening, man, Henry Boeck, is about opening a domicile. A warrant was issued for her where he surprised the guilty parties.

> without the interference of the law. he couple for supper.

HEADED WESTWARD.

Bound for Lincoln or "Busti"

The track has been completed on the R. R. west from Plattsmouth well up into the Platte Bottom, and the construccouple of days past. He returned to tion train is now headed westward, with rial is being brought over the river in large quantities, and Ashland will soon

hear the snort of the iron horse.

THE TRUNK R. R. Work to be Pushed Rapidly.

From parties in the southern part of the State we learn that it is the intention of the company to push work on the Trunk Railroad as rapidly as possible. The Company intend completing ten has "struck brine," but cannot vouch miles of the road prior to the 15th of February, thus securing the benefits of the State land grant This road should Murphy's new Hotel will be opened | be pushed by all means, as it is of im early in January. Cannot we have this portance to all the river towns and coun-House opened for the excursion over the ties, and all can operate together to has-B. & M., so as to accommodate our Chi- ten its completion. Plattsmouth is incago and Burlington friends in good terested in having this road built, nd that speedily.

BE READY FOR IT. Mechanies, Brick, Lumber and Build-ers Hardware.

The demand for mechanics and building material early in the coming spring will be beyond all precedent, and we fear the supply will not equal the demand. -Our brick men should be prepared to turn out all the bricks they can possibly make, and that, too, at as early a day as possible in the spring, for the demand er shows signs of the coming of Spring. Lumber men should begin now to fill up their grounds and get ready, and men hands at work all winter getting out rock for basements. "The early bird" will make the money next spring.

A Portion of the Track Already Laid to Connect the Rock Island Road With Plattsmouth.
