The tirades of the Omaha Tribune against the Republicans of Nebraska are being extensively copied by the Demomocracy.

It is said that George Francis Train is actually in limbo in France. Probably this is a ruse of George Francis to gain more notoriety.

The Omaha Tribune says it has not ashamed of it, is so intensely hostile State papers and then preference, so far as expressed, for the United States Sen endeavored to "cover up fraud," but it der General Grants administration that large is rather anxious that but few questions it wade's into Gen. Livingston, of this The Omaha Republican is supposed to should be asked in regard to discrepancy city rough shod. The only reason it be for Thayer. between the 1,000 votes polled for the assigns for its abuse of him is that he Saunders ticket at the primary meeting holds the office of Surveyor General of and the 400 polled for the same ticket at Iowa and Nebraska. Sail in little one; the election.

VOL. 6.

DISAPPOINTED.

There is at least one, and perhaps two, know just how bad you have it. You sale papers published in this State that make should now say something about Gen. their entire stock in trade out of oppo- Thayer, you should tell folks what a tersition to the re election of Senator rible fellow he is-for he has only lived Summe Thayer. They have howled fearfully in Nebraska about fifteen years. You against him, and the press of the State | who have lived here such a great length | have looked on and heard their howls of time (since just before the election) that "the longest pole takes the persimwithout taking a stand either for or can probably enlighten these western mons. against the election of any particular in- heathens. dividuals. This so annoys these one idea papers that they fairly beat the air in their fury, and absolutely demand that somebody shall "tread on their coat Interesting Statistics Showing the tails" to keep them from spoiling. The Republican press of the State have generally agreed that the Republican members of the Legislature should dede who should be the U S. Senator, and there they are willing to let the matter rest. Not so with the one idea con cerns-especially the Omaha Tribune .-That concern was started on a single idea, and it has held its own remarkably well-having never for a moment touched upon any other theme. It works itself into a towering passion be cause the various papers of the State laugh at its single handed combat with its own shadow, and leave the matter in the hands of the members elect to the Legislature, with fall confidence that the Republican members of that body New Haven, Conn., will do that which seemeth best to them. And that is just "what's the matter" with our one idea neighbor at Omaha. Indianapoli
