LOCAL NEWS!

Hesser has a fine supply of vegetables ready for market.

A bridge is needed on Seventh street, south of Rock street.

The Omaha *Herald* advises the burning of the State University and Capitol building at Lincoln. Pretty cool, insn't it?

We are reliably informed that Mr. Fox still refuses to "withdraw his personal objections" to becoming a candidate for the Constitutional Convention.

Hesser sent two beautiful hanging baskets to Col. Furnas to day. They were about two feet in diameter, and filled with choice selections of flowering plants from his gardens.

H. A. Waterman & Son have erected a commodious warehouse on the east side of their lumber yard, in which to store their immense stock of doors and sash.

Sam. M. Chapman is preparing to build on the hill near Stadelmann's residence.

The elegant Stallion, Dan O'Connell, was on the streets to-day, and he attracted the attention of every horseman in the city. The universal verdict is that he is the finest horse in this part of the State. He will be at the stable of Buttery & Lazenby during the season.

O'Brien has adopted the maxim so much in vogue where competition is close, "quick sales and small profits."—He sells good boots for men at $3.50. good brogans for boys at $1.50; a variety of womens' shoes at $1.00; nice shoes for babies at 30c; some splendid high cut lace gaiters for $2.00, and some nice lace gaiters as low as $1.50. He sells for cash and sells cheap.

mch30wtf

The pure and saintly Mickelwait is afraid the Republicans would elect bad men to the constitutional convention if something is not done to prevent it. He is afraid a clause will be inserted in the Constitution reflecting in some manner upon that semi-religious organization known as the "Dock & Levee Company," one of whom he is proved to be which.

There has been a fire at Omaha. We might add, in the language of the Omaha papers in relation to the recent fire at Lincoln. "What a sad commentary on the city government of Omaha."

Sir Robert Doom, of Doomville, is the only man in the democratic ranks in Cass county that seems to be able to 'run things' for that party. He attributes the recent failure of the Mickelwait and Fox movement to the fact that they attempted to get along without him.—He remained quiet and the movement failed.

Ex-Marshal M. B. Murphy desires a correction of the statement that all the retiring city officers are in favor of a peoples' ticket. We overlooked Mike in the general proposition. He was caught in bad company, but we will do him the justice to say that he is a straight out Republican, and does not favor the mix.

The steamer Carrie V. Kountz arrived to-day and discharged a large quantity of freight, mostly destined for Lincoln. It will be re-shipped via the B. & M. R. R.

Eight of the missing orders advertised for yesterday, by Treasurer Hobbs, have come to light at the present writing. The eight found so far have all been sold, and have all been traced to the same source. We are not informed as to whether they are all worth a premium.

Some time last week Mr. James Dick was appointed Foreman of the Machine Shops of the B. & M. R. R. in Nebraska, vice Michael Eagan, gone to the front with the "Nebraska." We congratulate Mr. Dick upon his success, he having received the reward his industry, integrity and ability deserved. He is considered one of the finest mechanics in the west.

Almost every train from the east brings from seventy-five to one hundred passengers to the city. As soon as the B. & M. is completed to a connection with the U. P. at Kearney—which will be by the 15th of November next—the great bulk of the through travel between the Atlantic and the Pacific will pass through our city.

The School Board are looking up money matters to-day relative to the recent report of the Treasurer of the city.—Ten per cent. is said to be pretty good for collections. The law allows one per cent.

Mr. Wheeland has leased the Star Mills of Rohwer & Sieh for the term of five years. He is putting in a new boiler, machinery, and other improvements that will probably make these mills second to none in the State. Success to you, Mr Wheeland. Look out for an advertisement, when the mills are ready for use.

The outgoing City Council is a fair specimen of Democracy. They were elected as Democrats. Are there any Republicans in Cass county who wish to mix with this outfit in order to obtain pure men?

Every one of the retiring city officers are in favor of a "people's ticket" for members of the Constitutional Convention. They are afraid "bad men" will be elected if the Republicans choose them.

Mr. G. W. Merk is making valuable improvements to his resident property in the south part of the city, near 3rd ward school house, by grading, fencing and painting.

Persons sending communications to the HERALD should remember that we invariably require to have the real name of the author as a guarantee of good faith. We are in receipt of a communication signed "Spectator," which will appear as soon as we have the real name of the author.

The E. H. Durfee passed down the river at 11:30 a. m. to day.

ANOTHER IMPORTANT MOVE.

We are glad to know that the indomitable "Fitz." has determined to take hold of the brick manufacturing interests of the city, and will set a force of hands at work next week on the old Merges yards. Parties wanting brick for building purposes can now be accommodated as soon as men and money will produce them.

PUBLIC SCHOOL.

As heretofore announced, the board of school directors have secured the services of Mr. H. A. Austin in the public schools of this city, and he began teaching in the school room of St. Luke's church last Monday. Parents desiring to send their children should commence as near as practicable with the commencement of the term. Mr. Austin is a teacher of much experience, and we doubt not he will give great satisfaction.

FRIEND HATHAWAY:—The First Congregational Church of this place will *dedicate* their *new House of Worship*, on Sunday, April 30th. Several of our most prominent clergymen are expected to be present. Members of neighboring churches, and all friends of the cause, are invited. Those coming so far as to need to stay over the Sabbath, will be provided for on reporting themselves to Wm. H. Ashmun, L. W. Peet, L. F. Reed or Reed Brothers store. Dedication Service, at 10:30. a. m.

THE MISSING CITY ORDERS.

Treasurer Hobbs advertises for a number of missing City Orders—eleven in all, and amounting in the aggregate to about $165. It has been generally understood that there is something wrong about these orders, and it is, perhaps, but justice to the parties concerned and to the public to state a few of the principal facts in connection with their history. About the first of March last Mr. Hobbs, who was City tax collector by virtue of his office as County Treasurer, employed Mr. S. F. Cooper, at that time City Recorder, to assist in making up his accounts preparatory to settlement with the City Council.—While engaged in this business, Mr. Cooper came to Hobbs and asked him for his city orders redeemed, saying he needed them in fixing up the settlement. Hobbs remarked that the orders were not quite ready, as they were not all cancelled. Whereupon Cooper stated to him that it was not his business to cancel city orders, being only tax collector and not Treasurer, and that it was the duty of the City Recorder to cancel them. Having had Cooper employed at various times, and knowing that he was well posted on all matters connected with the duties of the tax collector (having assisted S. Duke, during a portion of his term as County Treasurer). Mr. Hobbs readily surrendered the orders to Cooper amounting to about $4,000, without waiting to consider whether or not Cooper's statement was correct. Time passed, and Hobbs asked Cooper about the settlement and about the orders.—Cooper informed him that the orders had been cancelled, and that the statement and the orders had been placed in the hands of the Finance committee for their examination preparatory to making the final settlement. Hobbs asked Cooper about the matter several times, and was told that the committee had not yet reported. When the old council were about going out of office Hobbs became somewhat uneasy that his settlement was not completed (the whole matter having been left to Cooper, and he asked a member of the finance committee about it. He was informed that neither statement or orders had ever been presented to that committee, and they had never heard a word concerning them. Hobbs then found Cooper, and through the agency of S. Duke, Esq., all except about $165 of the missing orders were found carefully locked up in a desk, and were delivered up to Mr. Hobbs. The remaining $165 are the orders advertised in another part of the HERALD. The $50 order redeemed from Mr. Buttery by paying a bonus of ten per cent., is one of the missing orders, and was sold to Mr. Buttery by Mr. S. F. Cooper. Mr. Buttery has yet another of these orders which he bought of Cooper. Mr. Dovey has two of them, Mr. Guthman two of them, and Mr. Engle two of them—all having been traced back to Cooper. There are yet three orders out, the whereabouts of which are unknown. Whether they have been traded off, or whether they are yet in Cooper's possession, cannot be ascertained at the present writing.—The $50 order is yet in possession of ex-Mayor Lazenby, he having received it of Cooper in exchange for the order given to Buttery for it. We have heard of no excuse offered by Mr. Cooper for this singular proceeding, and withhold comment for the present. We have given the facts as near as we have been able to ascertain them. Should it transpire that we are wrong in any particular, we will take pleasure in making the necessary corrections.

Mr. Hobbs had a private memorandum of the numbers and amounts of all these orders, which was unknown to Cooper or any other person. Whether the production of this interesting bit of paper had anything to do with ascertaining the whereabouts of these unsold orders, we leave each one to conjecture; it certainly had a most decided effect in ascertaining the whereabouts of the eight already discovered as sold by Cooper.

Tuesday evening, after dark, we noticed Main street filled with immigrant wagons going west, they having crossed on the ferry with its last trip. Come on, gentlemen, we have plenty of room.

I want it distinctly understood that I am determined to settle up all my business within the next three weeks, as I am going to leave for Europe the last week in April; and people will save cost and trouble by coming forward immediately and settling. WM. STADELMANN.

"Luxuries of Modern Travel."

In these days the taste of the Traveling Public has become exceedingly fastidious. In order to obtain their patronage, a Railroad line must be able to insure Safety, Speed and comfortable transportation, by possessing the necessary qualifications of first-class equipment of coaches and locomotives, a solid road-bed and heavy iron Pullman's Palace Sleeping cars, Pullman's dinner cars, a direct route, good connections and careful management.

The Burlington route is making every effort to possess all these qualifications to a high degree, and offers a route to all points east, west, north and south, by means of its connections, as follows:

1. At Omaha with the Pacific roads.
2. At Plattsmouth with the B. & M. R. R., in Nebraska.
3. At Hamburg, with the St. Joseph Railroad for all points in Kansas, &c.
