GREAT FORTUNES

And How They Were Made.

By J. D. McCabe, Jr. Profusely illustrated and beantifully bound. The most universally sought after book issued for years. It shows how a poor school master made \$40,000,000; how a poor half-blid sailer became a great banker, a buicher's apprentice the wealthiest man in a buicher's apprentice the wealthiest man in America, an anknown mechanic a millionaire in soven years—with many more such examples; how energy, takent, and patient industry have always met with success when properly exerted; how money can be made honestly and without sacrifice of principle.
