

LIGHT DAWNING.

Light is beginning to dawn upon the benighted vision of certain of our brethren of the Democratic persuasion...

After Election.

The county elections throughout the State are over, and we regret to say that in many of the counties the result shows that the Democratic party...

Wheat Contains a Provenantial Cell

It is a question which most ministers are at some time, required to settle. Perhaps some light may be shed upon it by the following item...

One Man Turned to Death.

The Platte Valley Independent of the 21st has the following: "Just as we go to press, we receive by private dispatch, the sad news that Alexander Taylor, of this city, was yesterday morning badly burned by a panic fire...

The Chicago Losses.

Now that the smoke of the Chicago fire has almost cleared away, some estimate of the losses can be made. The Chicago tribunes say: "We may roughly estimate the situation as follows: 3,000 persons have left the city; population remaining 280,000."

The Printing Office.

All who are interested in newspapers, (and who are not?) should occasionally visit a printing office. Those who are not, are missing a very interesting and profitable view of the world...

The Great New York Fire in 1835.

We clip from the columns of the Philadelphia Underwriter, an interesting article in the Aetna Insurance Company of Hartford, Conn., showing the value of the loss, which was estimated at \$100,000,000...

Improved Method of Vaccination.

In view of the great success of the small-pox at the present day in America and Europe, and the importance of successful vaccination, the suggestion of an English physician, Mr. Ellis, may be of some importance...

Rev. William Morley Punshon

recalls that the young Methodist ministers of England were most anxious to get married to improve their minds. This is a very wise and commendable plan...

While the workmen engaged in digging

a well at the railroad depot—a short time since—had got down about 25 feet, they found a quantity of rotten timber, and also butternut and sand-burs in a good state of preservation...

The false hair mania

has invaded the fashionable nurseries at the East, and ten-year-old belles are to be seen with long braids attached to their natural capillary covering.

The total number of Texas cattle

that have passed through Wichita, Kansas, and departed upon railroads to reach the eastern markets is something over 400,000 head of cattle.

NEBRASKA UNIVERSITY.

Nebraska, the youngest of our States, has a University located at Lincoln, her capital, in which she fondly hopes to rival the great success of her elder sister Michigan...

Professionals.

WHEREAS, It is provided by section 10 of the schedule of the new constitution, that the members of the bar shall be sworn to support the constitution...

Accident has had considerable to do

with the most important scientific discoveries. A gentleman in Birmingham, England, was engaged in the business of prospecting for gold in a canyon...

Beautiful Island.

We know, of course, that Ireland is called the "Emerald Isle," and that the color of the emerald is green, but never had it entered into our imagination that there was anywhere in this world to be seen such verdure as it charms our eyes to look upon...

Chicago Stock Market.

Cattle—Receipts light, 878 head, but quite quiet to the demand; nothing doing in shipping cattle, the only sales being to packers and butchers...

Chicago Produce Market.

Flour—Steady and firm; spring extra No. 2, \$3.07 1/2; winter No. 2, \$3.07 1/2; No. 1, \$3.16 1/2; No. 2, \$3.17 1/2; No. 3, \$3.18 1/2; No. 4, \$3.19 1/2; No. 5, \$3.20 1/2; No. 6, \$3.21 1/2; No. 7, \$3.22 1/2;
