Unquestionably the best sustained work of the kind in the World."

HARPER'S MAGAZINE. Notices of the Press.

Notices of the Press.

There are few intelligent American families in which Harper's Magazine would not be an appreciated and highly welcome guest. There is no monthly Magazine an intelligent reeding family can less afford to be without. Many Magazines are accumulated. Harper's is edited. There is not a magazine that is printed which shows more intelligent pains expended on its articles and we chapical execution. There is not a cheaper Magazine published. There is not a cheaper Magazine published. There is not, confessedly, a more popular Magazine in the world.—New England Homestead.

A repository of biography and history, literature, science, and art, unequaled by any other American publication. \* \* The volumes are as valuable as a mere work of reference as any cyclopedia we can place in our libraries. JOB WORK valuable as a mere work of reference as any cyclopedia we can place in our libraries. Harper's Magazine is a record of travel everywhere since the hour of its establishment. Livingstone, and Gordon Cumming in Africa, Strain among the Andes and Ross Browne in the East, Speke on the Nile and Maegregor on the Jordan-indeed, all the travelers of note have seen their most important discoveries reproduced in these pages. Most of our younser and many of our older writers find here their literary biography. Our artists see the best evidences of their genius and the most enduring specimens of their work in the Magazine.—N. Y. Standard.

It is one of the wonders of journalism—the

Augusta Maine,"

Married, by Rev. R. B. Stewart, at the evening of November 9th, Mr. M. Story.

The Omaha papers seem much overjoyed at the fact that they are not to lose the Department Headquarters. An order hal been made attaching the Department of the Platte to the Department of the Missouri. It was this that occasioned the hasty departure of Senator Hitchcock and Representative Taffe to Washington, last week.
