REASONS FOR INSURING IN THIS COMPANY: let. This is a Western Company, managed by Western men, whose known finanancial character, ability and position, afford ample guaranty for its carolial and successful management.

2d. Its Polices are all non-forfeiting.

3d. Fremium all cast. It receives no notes and gives none. Policy holders have no interest to pay, and no outstanding notes as liens upon their policies.

4th. It has no restriction upon travel.

5th. Its dividends are made upon the contribution plan.

6th. Its business is excluselyly life insurance.

# DIVIDENDS

Are the accumulation of interest upon premiums paid, hence the Company that loans its assers at the highest rate of interest can give you the largest dividends. Eastern companies investable moneys at 6 per cent, while this makes its investments at twelve per cent, or more.

The advantage of Western investments to the policy holder appears in the following startling figures: The amount of \$1,000, invested for fifty years at
