MUST DECLINE. We are in receipt of a rather lengthy document giving the history of "Tabor and the Colloge," which we are requested to publish. We would be happy to accommodate the worthy President of that institution, but its great length compels us to decline.

COST OF A SMALL CHEESE PACTO-

As the subject of Cheese manufacturing is exciting considerable attention among our farmers, we re produce the following from the Rural World:

"As there are doubtless many of our readers interested in this branch of farm industry, we take from a cotemporary the following estimate of the cost of a small cheese factory, such as a farmer

"For 100 cows, a building 60x27 feet, with 16 feet posts, making it two stories, would be required. Take 24 feet from the lower story for a "make room," leaving the remainder and the upper story for "curing rooms." The upper story should be, partitioned the same as the lower. The 24-foot room over the "make room" should be plastered and furnished with stoves suitable for curing early and late cheese. The cost depends upon the price of number and labor. which differs in localities. A rough, substastial building, which would answer in mer. G. W. Colvin and W. Sharp. every respect in most localities, would cost \$1,000. If finished with paint. etc., \$1,300. It could be furnished with vat, tank, pressos, hoops, scales, etc., | to Dey street, presented, and \$300, making in all \$1,300 for the rough building, \$1,600 for the finished one .-For 200 cows the same size building would answer. For vat and fixtures, \$500, making in all \$1,500 for rough, this State this season.

REPUBLICAN STATE CONVENTION. The impression prevails that the Re- and publican State Central Committee will eall a delegate convention about the 15th which meets at Philadelphia in June. | ing destroyed, for \$53 00. The committee refuse to take the responsibility of selecting these delegates, mittee. preferring that the people themselves should make a selection of these men who are to speak for the State in that R. H. VANATTA, connection. This is as it should be. The rank and file should be consulted in any move which affects the party, and the people should see that only true and trusty men be selected to carry out their wishes-men of long and worthy service from Council Bluffs. in the party, whose record of republicanism is beyond question.

Select such men for our delegates and whoever gets the nomination will get the electoral vote of the State of Nebraska.

Plantation Bitters. S. T. 1860-X.

This wonderful vegetable resterative moved his stock of Groceries to the is the sheet-anchor of the feeble and desouth side of Main street. He will oc- bilitated. As a tonic and cordial for the aged and languid it has no equal among yous weakness to which women are especially subject, it is superseding every other stimulant. In all climates, tropical, temperate or frigid, it acts as a Monday and Saturday. All other days specific in every species of disorder I can be found at the residence of Mr. | which undermines the bodily strength Dec. 20. daw lyr.

Beautiful Women!

HAGAN'S MAGNODIA BALM gives to the Come

plexion the Freshness of Youth.

HAGAR'S MAGNOLIA BALM overcomes the flushed appearance caused by heat, fatigue and excitement. It makes the lady of forty appear but twenty, and so natural and perfect that no person can detect its application. By its use the roughest skin is made to rival the pure radiant texture of youthful beauty. It removes redness, blotches, and pimples. It contains othing that will injure the skin the least. MAGNOLIA BALR is used by all fashionable ladies in New York, London and Paris. It
