ADDRESS OF THE LIBERAL REPUBLICANS OF NEB

To the Friends of Independence and Reform .

The unndrsigned cordially endorsing the platform and candidates of the National Liberal Republican Convention, held in Cincinnati, May 1st, 1872, appeal to all friends of political independence and governmental reform throughout the State, to unite with them in promot-

attention of every patriotic citizen. The corruption consequent upon the war has crept into, and obtained control of our government. The very life of our free in-stitutions is threatend. The partisans of the Administration have throttled the voice of the people by

packing conventions made up of and by the office holders of such Administration. Influential and lucrative offices have been given those who had obtained the President's favor by means of valuable Presents, and to those notoriously corrupt and unworthy. When illustrious Senators have dared to raise a voice of criticism and to ask

investigations, that the guilt of the Administration might not be uncovered. The dignity of the Executive Chair has been prostituted by most shameless and wholesale favoritism and nepotism. The President has held his official patronage as a merchantable commodity for sale to the highest bidder.
