

plexion the Freshness of Youth

125-

A

Buffalo Land

By Hon. W. E. Webb, of Topeka, Kansas, The

men of his State of the results of a hard high-pressure hat included-and I should with many a sly touch of humor, Mrs. rest of us might as well play "we was incendiaries. Such nonsense in this

says the pirate Semms. Yes, on the deck respectable man at Lincoln. He ap-

ner; without any flourishes of rhetoric, we could name should chance to die, the cost lives, was the work of trade union

If Matilda Fletcher did not show up the folly of the charges against Grant last night it was never done.
