MISSOURI VALLEY LIFE Insurance Company

NON-FORFEITING

Dividends on the Contribution Plan.

Securing the Greatest Pecuniary Advantage to the Policy Holders

REASONS FOR INSURING IN THIS COMPANY:

1st. This is a Western Company, managed by Western men, whose known finanancial character, ability and position, afford ample guaranty for its careful and successful management.

2d. Its Polices are all non-forfeiting. Premium all cash. It receives no notes and gives none. Policy holders have no interes to pay, and no outstanding notes as liens upon their policies,
4th. It has no restriction upon travel.
5th. Its dividends are made upon the contribution plan.
6th. Its ousiness is excluseivly life insurance.

DIVIDENDS

Are the accumulation of interest upon premiums paid, hence the Company that loans its assets at the highest rate of interest can give you the largest dividends. Eastern companies investment moneys at 6 per cent., while this makes its investments at twelve per cent, or more.

The advantage of Western investments to the policy holder appears in the following startling figures: The amount of \$1.000, invested for fifty years at

6 per cent. compound interest, is \$ 18,420.15 46,901,64 117,360,85 318,068,00
