Religious.

The Third Quarterly meeting of the M. E. Church will be held on the 12th and 13th of October.

Services will commence on Saturday the 12th at 7 o'clock P. M. Official meeting after the evening services. J. H. PRESSON,

M. M. Shipman, and J. D. Rockwell, of Weeping Water country, called on the HERALD, Monday.

General Thayer's speech at Weeping Water was well attended, and he outdid himself on that occasion. Gen. T. is one of Nebraska's most gifted orators.

Mr. J. Goodman, the Kaolin man, called to see us on his way to the clay quarries out at Louisville.

The fair "went off" famously. The last day could not have been better had the Directors ordered the weather, and no drunken men, no quarreling and not an oath scarcely were to be heard on the grounds. That speaks well for Cass county. Full list of premiums and other matters published soon.

Working accomplishes everything in this world; men talk of genius, natural gifts and wonderful powers; they may all aid a man in the successful pursuit of any business, but still he must work .-Without work the highest gifts are squandered, brightest intellect is dulled, and soon becomes incapacitated for any strong efforts, and more especially for a continued strain of any kind. Persisteet work will make mediocre talent a sucenss, while flashing outbursts of genius, easily accquired information, or fits of wonderful enthusiasm, usually called genius, ruin a man in the long run and leave him sitting by the roadside watching his more industrious neighbor climbing the hill of prosperity and competence.

Mr. Eli Plummer of the firm of Clark & Plummer, started Sept. 25th for Chieago, to purchase an additional stock of goods for their fall and winter trade. - cheap for the MONEY. This house has already laid in a large stock, but find the demands of its trade are so great that it is necessary to still further increase their stock in order to supply all the wants of the trading community of Cass county.

Our merchants have generally laid in large and fine stocks of goods this fall and there is no excuse for any citizen of Cass going abroad for goods while such stocks as we see in Plattsmouth are to be Tootle, found on the shelves of our merchants,

The Omaha Herald calls us a "fool," It called us "Sonny," once. Is it like son like father?

We would rather be a son of a fool FOR THE CELEBRATED than the son of the champion bribist in Nebraska.

When a man can run down a Freight Train on the B. & M. R. R., he ought to run fast enough to get elected on the Republican ticket in Cass. If you don't believe it ask BARNES.

2d. Its Polices are all non-forfeiting.

3d. Premium all cash. It receives no notes and gives none Policy holders have no interest to pay, and no outstanding notes as liens upon their policies,

DIVIDENDS

Are the accumulation of interest upon premiums paid, hence the Company that loans its assets at the highest rate of interest can give you the largest dividends. Eastern companies invest their moneys at 6 per cent., while this makes its investments at twelve per cent. or more.

The advantage of Western investments to the policy holder appears in the following startling figures: The amount of \$1,000, invested for fifty years at

6 per cent. compound interest, is

MILLIONS Bear Test mony to their Wonderful Curative Effects. They are not a vile Fancy Drink, Made of Poer Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the faste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbt of California, free from all Alcoholic Stimu-lants. They are the GREAT BLOOD PURI-FIER and A LIFE GIVING PRINCIPLE, carrying off all poisonous matter and restoring theblood o a healthy condition. No person can take these Biters according to directions and remain long unwell, provided their bones are not destroyed by mineral olsonor other means, and the vital organs wasted

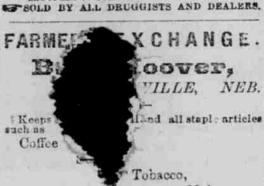

They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflamnation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonie Bitters have no equal. For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Billious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidceys and Bladder, these Bitters have been me successful. Such Disenses are caused by Vitinted

Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION, Headache, Pain in the Shoulders, Courhs, Tigotness of the Uhest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Paipitation of the Heart, Inflammation of the Lungs, Pain in the re-gions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the torrid Liver and Bowels, which render them of unequalted

tflicacy in cleansing the blood of all impurities, and im parting new life and vigor to the whole system. FOR SKIN DISEASES, Eruptions, Tetter, Salt Rheum, Blotches, Spots, Pimples, Pustules, Boils, Cartuneum, Biolenes, Spots, Pimples, Pustules, Boils, Car-puncles, Ring-Worms, Scald Head, Sure Eyes, Erysipe-ias, 4tch Scurfs, Discolorations of the Skin, Humors and Discoses of the Skin, of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their cura tive effects. Cleanse the Vitiated Blood whenever you find its im purities bursting through the skin in Pimpies, Erup-

tions or Sores; cleanse it when you find it obstructed and slaggish in the veins; cleanse it when it is foul, the chade. and your feelings will tell you when. Keep the blood oure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the earth whose body is exempt from the presence of worms. It is not upon the healthy elements of the worms. It is not upon the hearthy elements of the body that worms exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vernifuges, no authelminities will free the system from worms like
