A father, not very far from here, read During the late campaign we were under the impression that this great man- in the paper the other morning that the By the President of the United States like Cincinnatus, was living on a farm, gathering his flocks around him and listening to the gentle lowing of the distring at the proper hour which reverses tant herds, but to our surprise he tells us through the Herald that he is a resi, dent of our city. We hastened to indent of our city. We hastened to in-spect the laurels of the hero, the general of generals, and now we present the inhe would try this Utica plan, so he

wrote in large characters, on the back of more occasion than another for such a large portrait of George Washington, thankfulness it is the citizens of the this inscription : 10 o'clock is Sallie's BED-TIME.' Then he arranged the picture so that when he attached a string to the frame, he could reverse it from his bed cham-

ber. But when Sallie entered the room an hour later, her esthetic eye was outraged by the portrait of George hanging slightly out of plumb, so to speak, and in adjusting it her father's little game was revealed in all its susle ingenuity. Sallie was not a Utica girl, however, in their respective houses of worship so she just went to work and neatly efand there make their acknowledgements to God for his kindness and bounty.

faced the figure "0," leaving the "1" standing solitary and upright—which, you will observe made a few hours differ ence in her bed-time. That night, as usual, Sallie received a visit from her young man-which his front name it was Henry—and her paternal parent attached his string to G. W.'s portrait, and re-

tired to his downy couch. About ten o'clock, while Henry and Sallie were deeply absorbed in some problem, with their heads so contiguous that you could'nt psert a piece of tissue paper between them, the Father of his Country suddenly turned his face to the Western farmers to cultivate quick grow-Country suddenly turned his face to the wall as if he was ashamed to gaze upon such doings. Henry, with a sudden start, glanced at the picture, and saw the handwriting on the wall, as it were, which read: "one o'clock is Sallie s bedtime." Then Henry looked at Sallie with an interrogation in his eye, which Now fare U well, dear K T J:
