The Big Potato.

A few days ago we told our readers that Hesser had sent us a big potato, a regular huster weighed six pounds and a Has just returned from the East with a half. It lay round the office for several days to be looked at and then we hired an express wagon and toted it up home. Katey got a hand spike and skidded it into the oven. We tumbled a three bushel basketfull of corn into the firebox, shut all the oven doors and let her 7011 simmer; about noon she came out glorious, sweet and mealy, all bust open and CITY MEAT MARKET, delicious. Seven of us made a hearty meal off that potato and the women fried the balance for breakfast this morning. Two dogs, one cat, three of Datesman's pigs all got their fill, and there is sweet potato at our house yet.

RETURNED.

The surveying party of Messrs. Fair field & Wells returned from the regions of buffalo skulls and honest men some days ago. We meant to notice their re turn at the time, but owing to the corruption in the Surveyor General's office and the fun of an election we forgot it. This is the amende honorable, boyscome and see us.

MISSOURI VALLEY LIFE

Insurance Company

No. 70 DELAWARE STREET, LEAVENWORTH, KANSAS

Dividends on the Contribution Plan,

Securing the Greatest Pecuniary Advantage to the Pelicy Holders

REASONS FOR INSURING IN THIS COMPANY:

1st. This is a Western Company, managed by Western men, whose known finanancial character, ability and position, afford ample guaranty for its careful and successful management.

2d. Its Polices are all non-forfeiting.

3d. Premium all cash. It receives no notes and gives none. Policy holders have no interes to pay, and no outstanding notes as liens upon their policies,

4th. It has no restriction upon travel.

5th. Its dividends are made upon the contribution plan.

6th. Its ousiness is excluseivly life insurance.

DIVIDENDS

Are the accumulation of interest upon premiums paid, hence the Company that loans its assets at the highest rate of interest can give you the largest dividends. Eastern companies invest their moneys at 6 per cent., while this makes its investments at twelve per cent. or more.

The advantage of Western investments to the policy holder appears in the following startling figures: The amount of \$1.000, invested for fifty years at

6 per cent. compound interest, is \$ 18,420.15 olicholder than any othernancial advantages and inducements; to th

MILLIONS Bear Testimony to their Wonderful Curative Effects. They are not a vile Fancy Drink, Made of Post Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to please the taste, called "Tonics," "Appetizers," "Restorers," &c., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimu lants. They are the GREAT BLOOD PURI

FIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring theblood to a healthy condition. No person can take these Bit ters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair. They are a Gentle Purgative as well as a Tonic, possessing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflam-

mation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Billous, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have been most successful. Such Disenses are caused by Vitinted Blood, which is generally produced by derangement of the Digestive Organs. DYSPEPSIA OR INDIGESTION, Bead

sche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach Bad Taste in the Mouth, Bilious Attacks, Palpitation o the Heart, Inflammation of the Lungs, Pain in the re-gions of the Ridneys, and a hundred other painful symp-toms, are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the tory'd Liver and Bowels, which render them of unequalted efficacy in cleansing the blood of all impurities, and im

parting new life and vigor to the whole system. FOR SKIN DISEASES, Eruptions, Tetter, Sa Rhoum, Blotches, Spots, Pimples, Pustules, Bolls, Car-ouncles, Ring-Worms, Scald Head, Sore Eyes, Erysipe-as, Itch, Scurfs, Discolorations of the Skin. Rumors and Diseases of the Skin, of whatever name or nature, are iterally dug up and carried out of the system in a short time by the use of these Bitters. One bottle in such cases will convince the most incredulous of their cura-tics effects. Cleanse the Vitlated Blood whenever you find its im

purities bursting through the skin in Pimples, Erup tions or Sores; cleanse it when you find it obstructed and slaggish in the veins; cleanse it when it is foul and your feelings will tell you when. Keep the blood oure, and the health of the system will follow. Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the disease. No System of Medicine, no vermifuges, no anthelminities will free the system from worms like these Bitters.
