MILLIONS Bear Tentmony to their Wonderful Curative Effects. They are not a vile Faucy Drink, Made of Poor Rum, Whiskey, Proof Spirits and Refuse Liquors doctored, spiced and sweetened to piease the laste, called "Tonics," "Appetizers," "Restorers, "Ac., that lead the tippler on to drunkenness and ruin, but are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimus lunts, They are the GREAT BLOOD PURI-FIER and A LIFE GIVING PRINCIPLE, a perfect Renovator and 1 vigor for of the System, carrying off all poisonous matter and restoring the lood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their times are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, powersing, also, the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs. FOR FEMALE COMPLAINTS, in young or old, married or single, at the down of womanhood of the turn of life, these Tonic Bitters have no equal. For Inflammatory and Chronic Rhenmatism and Cont. Dyspepsia or Indigestion, Bilions. Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Hladder, these Bitters have been most successful. Such Diseases are caused by Vitlated Blood, which is generally produced by derangement of the Digestive Organs,
DYSPEPSIA OR INDIGESTION, Read-

sche, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Paintation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. They invigorate the Stomach and stimulate the tory w Liver and Bowels, which render them of unequalited Efficacy in cleansing the blood of all impurities, and im parting new life and vicor to the whole system. FOR SKINDISEASES, Eruptions, Tetter. Sait Rheum, Blotches, Spots, Pimpies, Pustules, Boils, Car-

puncles. Ring Worms. Spots, Pimpies, Pustules. Boils, Car-puncles. Ring Worms. Seald Head. Sore Eyes. Erysipe-ias, Itch. Scurfs. Discolorations of the Skin. Humors and Discoses of the Skin. of weatever mane or nature, are literally dug up and carried out of the system in a short time by the use of these litters. One lottle in such passes will convince the most incredulous of their cura-tive effects. Cleanse the Vitiated Blood whenever you find its im purities bursting through the skin in Pimples, Erup tions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood sure, and the h at h of the system will follow. Pin, Tupe, and other Worms, jurking in the system of so many thousands, are effectually destroyed and removed. Says a distinguished physiologist, there is scarcely an individual upon the face of the carth whose body is exampt from the practice of the worms. It is not upon the healthy elements of the body that worm exist, but upon the diseased humors and slimy deposits that breed these living monsters of disease. No System of Medicine, no vermifures, no anthelminties will free the system from worms like these Bitters.
