There is no pain which the Centaur Liniment will not relieve, no swelling it will not subside, no itching business which it will not cure. This is strong language, but it is true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, lock-jaw, palsy, sprains, swellings, ear-ache, caked-breasts, scalds, burns, salt-rheum, &c., upon the human frame, and of strains, spavin, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever sold, and it sells because it does just what it pretends to do. Those who now suffer from rheumatism, pain or swelling desire to suffer if they will not use Centaur Liniment. more than 100 certificates of remarkable cures, including frozen limbs, chronic-rheumatism, gout, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to any one requesting it. One bottle of the yellow wrapper Centaur Liniment is worth one hundred dollars for foundered or swelled horses and mules, or for screw-worm in sheep.—Stock-owners—this liniment is worth your attention. No family should be without Centaur Liniment. J. B. ROSE & CO., New York. 45-1y
