THE SUDDEN DELUGE. In an hour and a half from the beginning the last house had been upset or torn into bits. Quick and terrible work! Williamsburg, Skinnerville, Haydenville, Leeds, pleasant little towns, with white cottages arranged in straight row and rectangles, and with a wide spread of green meadows to the south and west; ittle feudal hamlets, whose people were almost owned by one man, generally he for whom each village was named; busy little places, with plenty of factories, plenty of bustling life and hard work; pretty, clustered villages, clinging each around gentle slope, down and down the valley, not hemming them in, but making way for them from out the bold mountains above. Such was the valley before the storm of water, loosed by the neglect of the great men of the valley, fell upon it were passed-to prevent hazing at the Naval gentle hills into the barriers of such a deluge as Massachusetts had never seen before. At Williamsburg the torrent was as deep as it was wide, but here it reached the plain and spread into a flood. The flood went straight down the valley. It attacked Skinnerville, not with water merely, but with the bones of Williams. burg, great timbers and tree-boles, and the stones which it lifted and whirled House .- After further debate on the along. It attacked Haydenville with write the English language; regulating the removal of two great iron safes, and added these moval of causes from State courts to United States to its weapons; piled house upon turned an island meadow into a desert o sand, smooth as a billiard table, except where strewn with tree trunks and stones, and carried sixty bodies on toward Leeds.

> would have been but for Milkman Collins just a breathing space ahead of the floor from Williamsburg through Skinnerville should be a Mecca of sight-seers day after and mangled, a few rods below. day? They were mostly in carriages yes

the fords. - Cor. N. Y. World. length and several proposed amendments were disposed of, and the bill was passed—119 to 104.

A bill was passed changing the time of holding the United States Circuit and District Courts at Evans.

to spend Sunday, and the wave came without warning as the three were seated at the breakfast table. The only surviving member of the family is an absent smack.

A young French child was found safe sleep in a bed in a wrecked house, in atempting to escape from which the renainder of the family perished. Miss Carrie Bonney and Mrs. Sarah J. Ryan and child, who were among those swept away and lost, had ample time to save themselves, but were completely

stopefied with terror, and, with a fixed are, stood motionless. Three men, fearing the boarding-house n which they were with a number of others would give way, despite the entreaties of their associates, climbed an apple tree near by. The latter fell under hem and they were drowned, while those at the boarding-house remained unarmed. One man ventured upon the roof of the boarding-house, and, though

A cow floated down from Williamsburg o Florence, and escaped with only a

broken horn. A sad and affecting case was that of three French children, none of them over nine years old, who sat among the living and dead in Mr. Warner's house at Leeds, and told questioners that they had lost three sisters, a brother and their mother, but their father was safe and attending to some of the dead people. But many who istened to them knew that the father, as well as the brother and sisters, was among the dead yet none had the heart to break the terrible news to the children.

One lucky little boy got a safe ride lown the stream in a small house. The dwelling was picked up by the flood somewhere between Leeds and Florence, and went over the dam right side up, landng some distance below on the flats. There somebody spied this novel convey-

ance and took the boy out safe and Mr. Atkinson, a "boss" weaver in James' woolen mill, received warning and last seen alive by his family passing huriedly by an upper window.
