Mrs. Winslow's Soothing Syrup is the prescription of one of the best Female Physicians and Nurses in the United States, and has been used for thirty years with never failing success to relieve the suffering of mothers and children from the feeble infant of one week old to the adult. It corrects acidity of the stomach, relieves whooping cough, regulates the bowels, and soothes the inflamed membrane of the throat and Diarrhea in children, whether it arises from Teething or any other cause. Centaur Liniment. There is no pain which the Centaur Liniment will not relieve, no swelling it will not cure, and no lameness which it will not cure. This is strong language, but true. Where the parts are not gone, its effects are marvellous. It has produced more cures of rheumatism, neuralgia, sciatica, lock-jaw, palsy, sprains, swellings, carbuncles, cancerous sores, scalds, burns, salt-rheum, etc., upon the human frame, and of strains, sprain, galls, &c., upon animals in one year than have all other pretended remedies since the world began. It is a counter-irritant, an all-healing pain-reliever. Cripples throw away their crutches, the lame walk, poisonous bites are rendered harmless, and the wounded are healed without a scar. It is no humbug. The recipe is selling as no article ever before sold, and it sells because it does just what it pretends to do. Those who suffer from rheumatism, pain or swelling deserve to suffer if they will not use Centaur Liniment. more than 1000 certificates of remarkable cures, including frozen limbs, chronic rheumatism, gun, running tumours, &c. have been received. We will send a circular containing certificates, the recipe, &c., gratis to any one requesting it. One bottle of the Centaur Liniment is worth one hundred dollars for funded or sweated horses and mules, or for severe-worm in sheep.—It kills vermin, and is worth its weight in gold. No family should be without Centaur Liniment. J. B. ROSS & Co., New York. 46-1y
