The Sinking Saved. The combination of tonic, alterative and stimulating properties in Hostetter's Stommels Bitters, especially adapts that famous specific to the cure of chronic forms of Disease, when the strong influence of a long protracted morbid habit is to be surmounted. In chronic dyspepsia, and liver complaint, and in chronic constipation and other obstinate diseases, it is beyond all comparison the best remedy that can be taken. As a means of restoring the strength and vital energy of persons who are sinking under the debilitating effects of paintul disorders, this standard vegetable invigorant is confessedly unequalled. The permanent tonics included in the preparation are associated with a diffusible stimulent absolutely pure, and wholly pure, and the tendency of these elements is modified by the presence of alterative ingredients slower in their operation and capable of producing more lasting local and general effects.
