## **Bigamy Extraordinary.**

A Boston correspondent of the New York Evening Post relates the following instance of remarkable matrimonial du-England States is put at \$6,000,000, the plicity: I heard recently of a case of bigamy in the neighboring city of Lynn, which, I believe, has not got mentioned in the newspapers, but which is probably one of the most remarkable on record in this country. The husband of two wives in this case was a resident of Lynn, who at the outbreak of the war obtained a clerkship in the Treasury Department at Washington. He continued to hold this position until his death, which occurred not very long ago. When he went to Wash-For the past two months no fifty-cent | ington he left a wife behind him, she hav ing the care of a relative with whom she lived, and not wishing to take up her residence at the capital. This arrangement was continued for fourteen years, the husband making an annual visit and passing his vacation with his wife at her home in Lynn. The character of the man was respectable, and no one ever suspected that e had unlawful marital relations. On the occasion of his last visit to his home he was taken violently sick, and after a THE Cedar Falls Gazette says it is rec. short illness he died. A day or two before his death a letter was received from Washington directed to him, and as he THE man who attempts to get up a grain was unconscious his wife opened it. informed her that the man who lay dying before her had another wife in Washing ton, who was the mother of two children It was the first intimation she ever received of the fact (which she learned upon further inquiry) that he had been living for several years in a very quiet manner with a lady in Washington, who was, made of fat taken from dead dogs and moreover, respectable and utterly unaware that she was the wife of a bigamist. All the facts in the case are fully substan-
