THE dental colleges are wrestling with the problem of why women's teeth give way so much sooner, as a rule, than men's. But when you stop to realize the immense amount of linguistic friction they have to go through, it is no longer a mystery .-Cincinnati Times. A Mississippi doctor personated Gen. Beauregard in a sleeping-car at Milan,

Miss., for the purpose of securing a berth after all had been engaged. There was some confusion when the real General, who was in the carand overheard the conversation, revealed himself. IF you will carry business problems into the bosom of your family, dream over hem at night, and get absorbed in them again while making your morning toilet -if you will do this, why, don't expect

your wife to sympathize with your efforts to sharpen your tooth-brush on your razorstrop, that's all. THE London College for Working-Women is meeting with great success. It has been attended during the past year by 431 students. Of this number about 350 fere employed during the day in shops and various trades which afford occupa-

tion for women. The college is open in the evening only. An old gentleman residing between this lace and leksburg had a large locust tree ut and the trunk taken to a saw-mill and ut into 21 inch planks about twelve years ago. The planks he put in a dry place to season, where they remained untiabout a month ago, when he delivered it was a "good fit." He ordered the lid goes to be shut up in a coffin. He then a secluded spot in the woods where the devil could not find him. After marki out a spot and blazing the trees to,

A san story was developed in on the Precinct Station-House, and, on lear commit some crime that would insure for him quarters for the winter in prison coming along with an umbrella in her hand he snatched it from her, and then ey, Roberts, Young, Sheakley, Durrell, Whit-Morey, Wallace (Pa.).

Morey, Wallace (Pa.).

Morey in Civil Service—Whitehouse, Brown that they will increase and multiply during the coming winter. For the habitual criminal there is naturally but little sympathy, but when humanity is driven by sheer want and destitution to crime, then,

FACTS AND FIGURES. THE total production of all the ale, porter and lager-beer breweries for the year ending May, 1875, was 8,880,629 barrels, which yielded a revenue to the Government of \$9,304,679. In 1873 there were 3,554 breweries in operation in the

THE value of domestic exports for last October was \$53,718,707, against \$49,817, 254 the previous October-an increase of nearly \$4,000,000. Reducing the mixed terms in which these totals are stated to

\$3,180,766 43,979,114 ..\$47,109,874 Totals..... THE value of imports free of duty last October was \$14,396,518, against \$15,301,-192 in October, 1874-a decrease of some thing less than \$1,000,000. The only important item in the free list which shows an increase is that of gold and silver, the 000 buffalo hides into robes during the import for last October having been \$2, 556,039, against \$1,210,084 for October, 1874. On tea there was a decrease of nearly 1,800,000 pounds, the decrease in value having been about \$1,160,000. The falling off in coffee imports was about

2,000,000 pounds in quantity and \$200, 000 in value. THE number of disasters on the lakes during the past season was 1,056, a decrease from last year of 131. Of this number, 562 occurred on Lake Michigan, 152 on Lake Huron, 189 on Lake Eric, 62 on Lake Ontario, 19 on Lake St. Clair, 26 on Lake Superior, and 46 on the rivers. An oyster-bed was recently discovered Eighty-five vessels of all descriptions with an aggregate carrying capacity of 27,177 tons, valued at \$1,049,000, have passed out of existence. Twenty-five new vessels, with an aggregate capacity of Not content with stealing \$6,000,000 14,737 tons, valued at \$1,109,500, were commissioned during the year. The total amount of property lost, including hulls and cargoes, is \$3,791,300, which exceeds

THE total value of dutiable imports in October last was \$24,815,219, against \$31,200,147 for the previous October-a decrease of \$6,384,928. This decrease of dutfable imports would indicate a decrease revenue. This rate of decrease continued throughout the fiscal year would bring October, against \$4,070,628 the previous THERE are forty-three Italian Counts October. There was a considerable de-

Hotel Fever.

It is remarkable how large a number of theria, or in such a condition of system occurs in a city. Moreover, the guests of mountain inns sleep in smaller and less ventilated apartments than they do at home, and are consequently more exposed to any poisonous gases which may arise. In fact, most people who spend the summer in the mountains would find themselves better off in camp or tents than in

said she had been given some knotty of something like \$1,900,000 in customs have three or four days of summer there a the receipts from customs from \$20,000, few months ago, but the women used 'em | 000 to \$25,000,000 below Mr. Bristow's es-A NEW YORK journal takes the ground | which there was a decrease was brown that all murderers are insane. Put it this sugar, that article having been imported way and let's have hanging as a penalty to the value of only \$1,790,499 during last for insanity .- Detroit Free Press.

The last three of the Bross resolutions, An Oregon man pounded his wife be-adopted as above, are as follows:

WHEN you are on the way to your marthe small rooms of hotels. This evil of riage, young man, there is no necessity of "hotel fever" has become so general, and looking as though you were on the way is followed by such disastrous effects
