could issue warrants and get pay for the Butchers' Leap. It has nothing extended the "Metzger-Sprung"— of the loathsome reptile.—Vancouver (W. 1.) Independent.

an immense pile of investigating chaff. It is no less game than the President that they have bagged. A witness testified before the committee that President Grant came to his house two years ago and or dered him to leave the country, because he was about to expose the corruptions of his Administration. He refused, when an officer was sent, who seized him and took him to Liverpool. Upon being further questioned, however, the witness testified that the President did not come to him in person, but only "in spirit"! And it is upon such witnesses that the Confederates are expending the public money and making themselves the laughing stock of the country .- Chicago Journal.

At the conclusion of Mr. Blaine's asseveration of innocence, one of a group of prominent Democrats seated near the Associated Press reporter said: "I believe every word of it." "And so do I," who have circulated the slanders,-Inter-

Mr. Blaine's Answer.

Mr. Blaine's speech refuting the scandals concerning himself, which we publish in full in our telegraphic dispatches. entirely vindicates the confidence which we have repeatedly expressed in his ability to disprove these charges of corrupt or improper conduct. His answer is ample and complete. It covers the whole solemn denial, but by the denials of Sidney Dillon and Thomas A. Scott, the Pacific Railroad Company. As the reader will see by referring to these documents, they could hardly be made more emphatic or conclusive. That part of the
